THE RIGHT STUFF

The exhilaration of being an Andrew Hill student was felt by all the many teenagers on campus this year. The adventures of learning formed an exciting path that enabled everyone to participate in academic choices which would prepare him/her for a successful life after graduation. Biological dissections, computer punching, complicated mathematical permutations, and memorizing Shakespeare's sonnets were all part of the learning experience. Additionally, the extra curricular activities which dominated the after-school hours helped Andrew Hill to strive towards its goal of producing students who were athletic and cosmopolitan, as well as scholarly. We had a great time doing it, too! From the confusion of a freshman's first day on campus to the anticipation of a senior on graduation eve, students felt the pride, joy, and sense of accomplishment that combined to make us the best flock of Falcons yet —

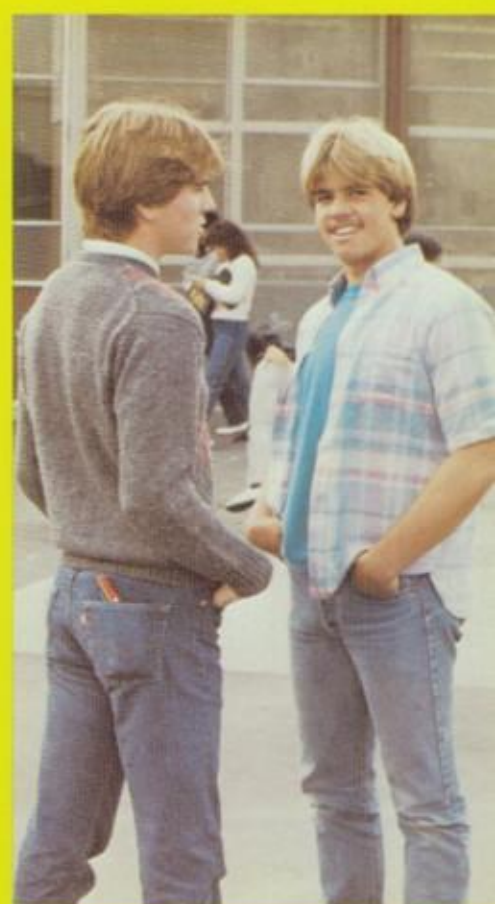

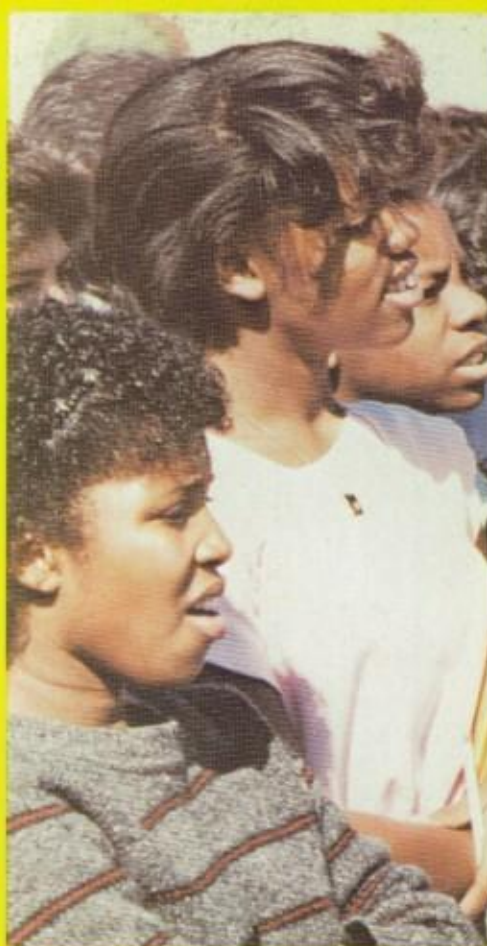

the right stuff!!

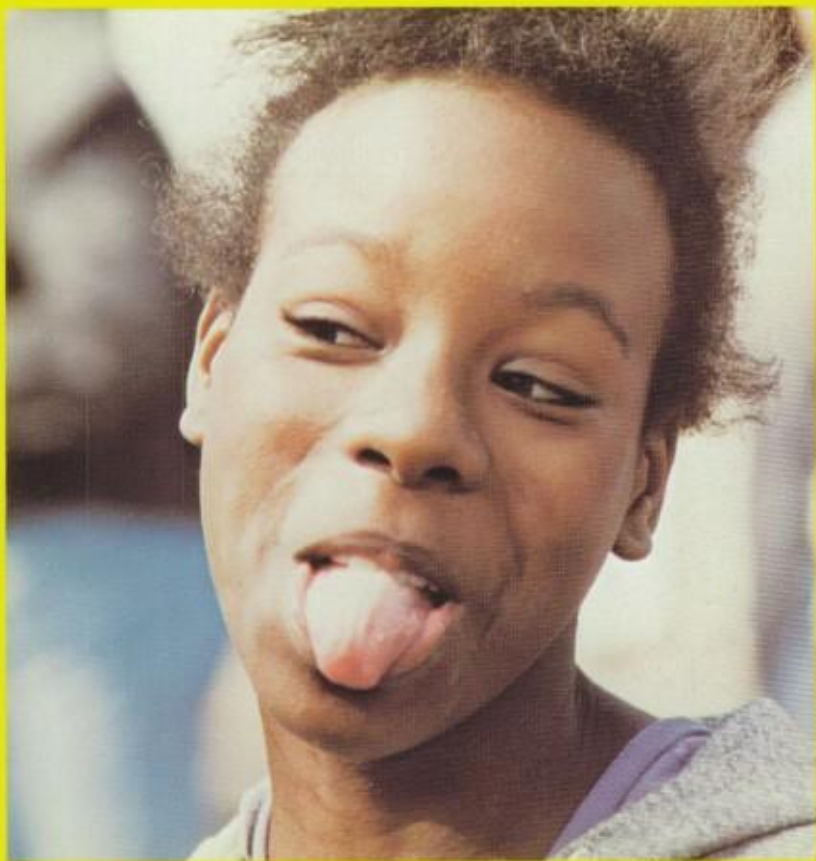

LASTING EXPRESSIONS

Cute, tall, petite, intriguing, attractive, CRAD, charming, buff, marvelous, amazing, extraordinary, vivacious, animated, killer, dashing or dynamic, no matter what you're looking for in the areas of race, color, personality, or dress, you can find it on the Andrew Hill campus. Faces, and the people behind them, are what this book is about. They register hate or love, joy or pain — they are the barometers of the soul. Each of these people, from spirited underclassmen to classy seniors, was the "soul" of Andrew Hill High — contributing their share and creating our school's distinct personality.

THE
 X

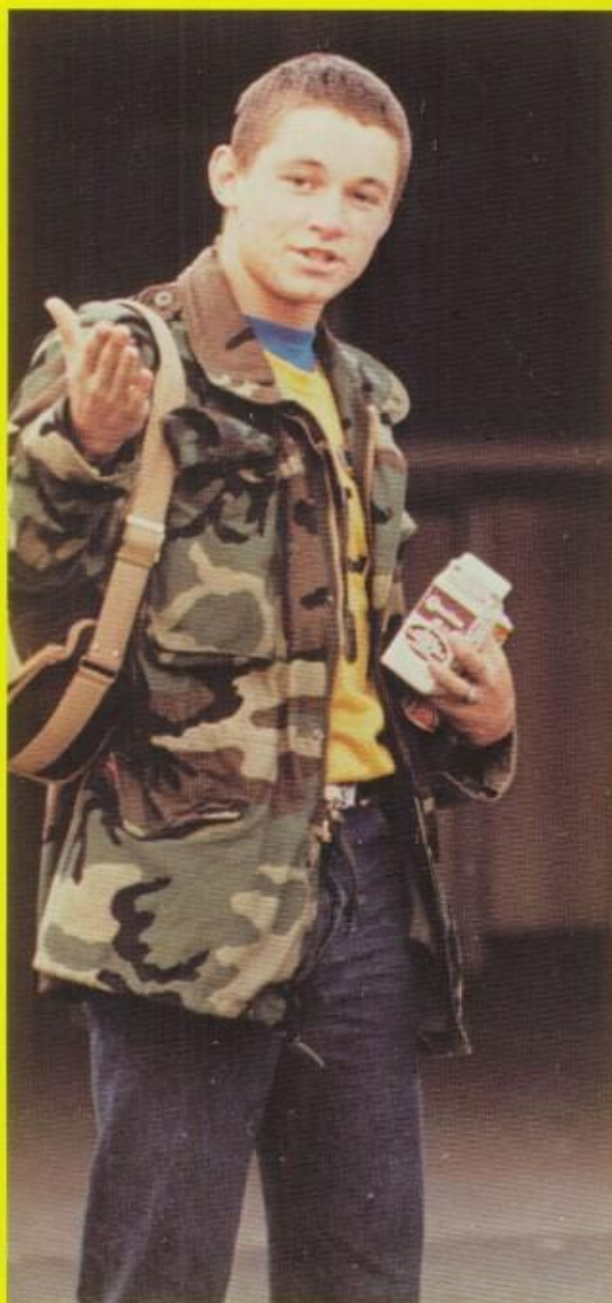

As usual, music was an important part of a high school student's life. Throughout the year, many have adopted the "heavy metal", flash-dance", "new wave" or "punk" look. These images were seen in the different styles — leather jackets and pants, concert shirts, "cut" and "torn" sweat shirts, costume jewelry, hair cuts, nail polish, pumps, and jackets with punk band logos on the backs. Many students at Hill also listened to their favorite groups on "Walkman" radios, or portable stereos. Music was in the air as the students of Andrew Hill "Rocked on" throughout the year.

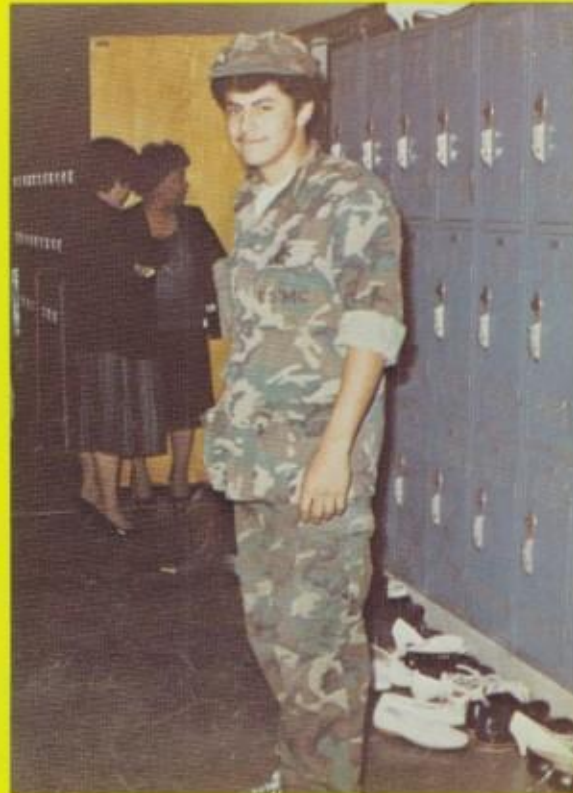

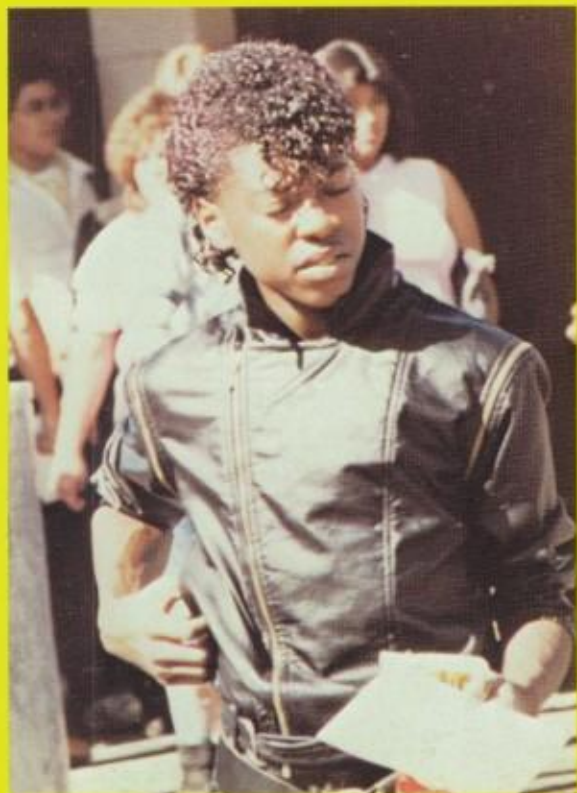

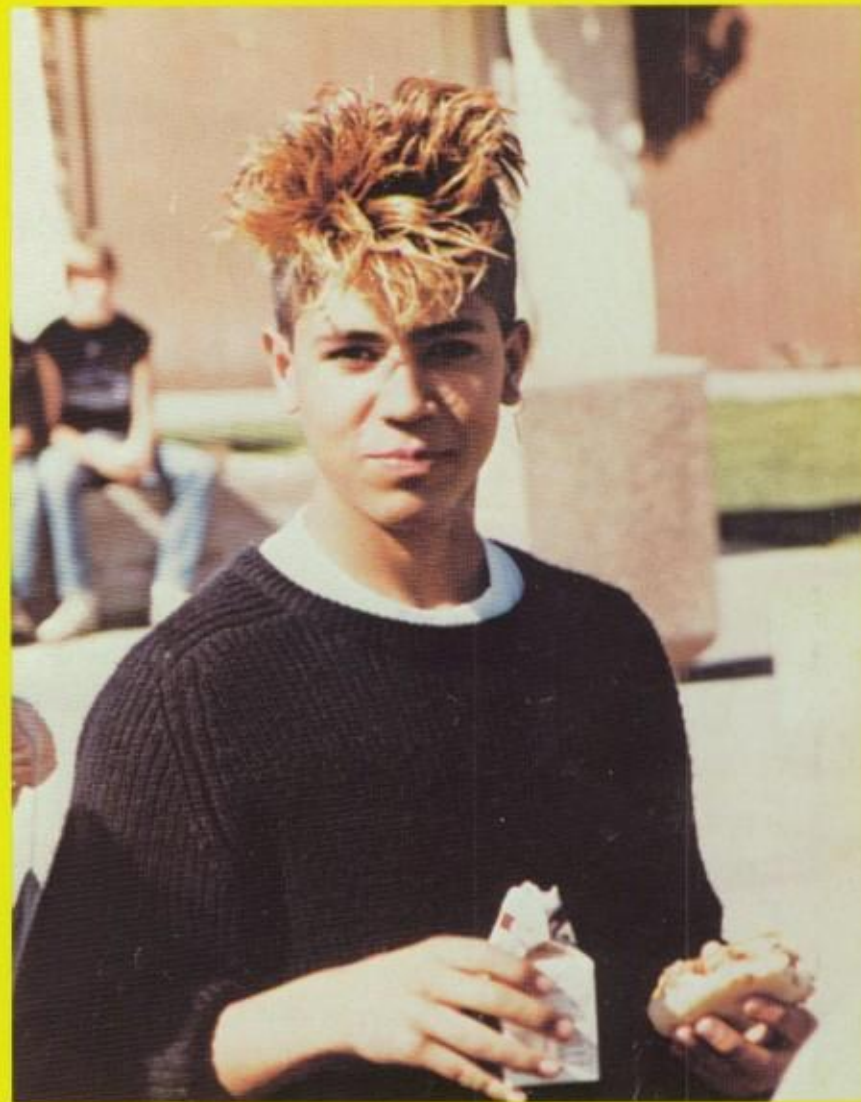

GOING IN STYLE

This year's fashions were colorful, imaginative and outrageous! Everything went — from button earrings to plastic shoes; from penny loafers to punk-styles. Limitations of the recent dress code didn't seem to cramp the "style" of very many students. Lettermen's jackets, 501's, Polo's and O.P.'s walked the halls with flashdancers, spiked wrist bands, and high heels. There was something for everyone in the Andrew Hill fashion scene.

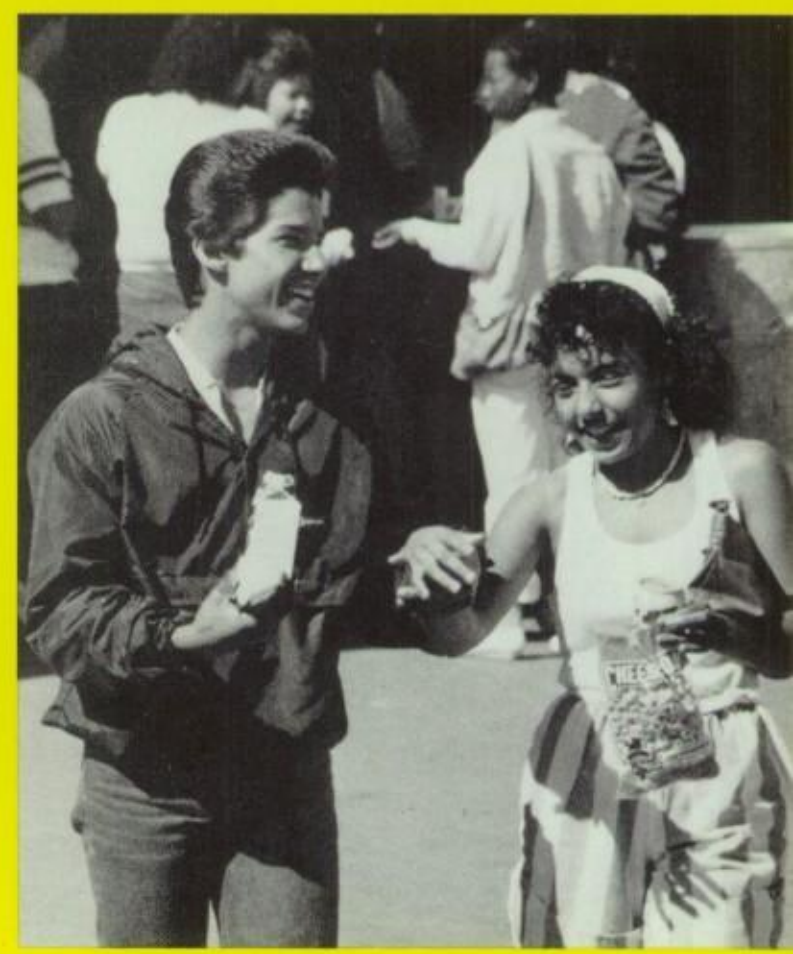

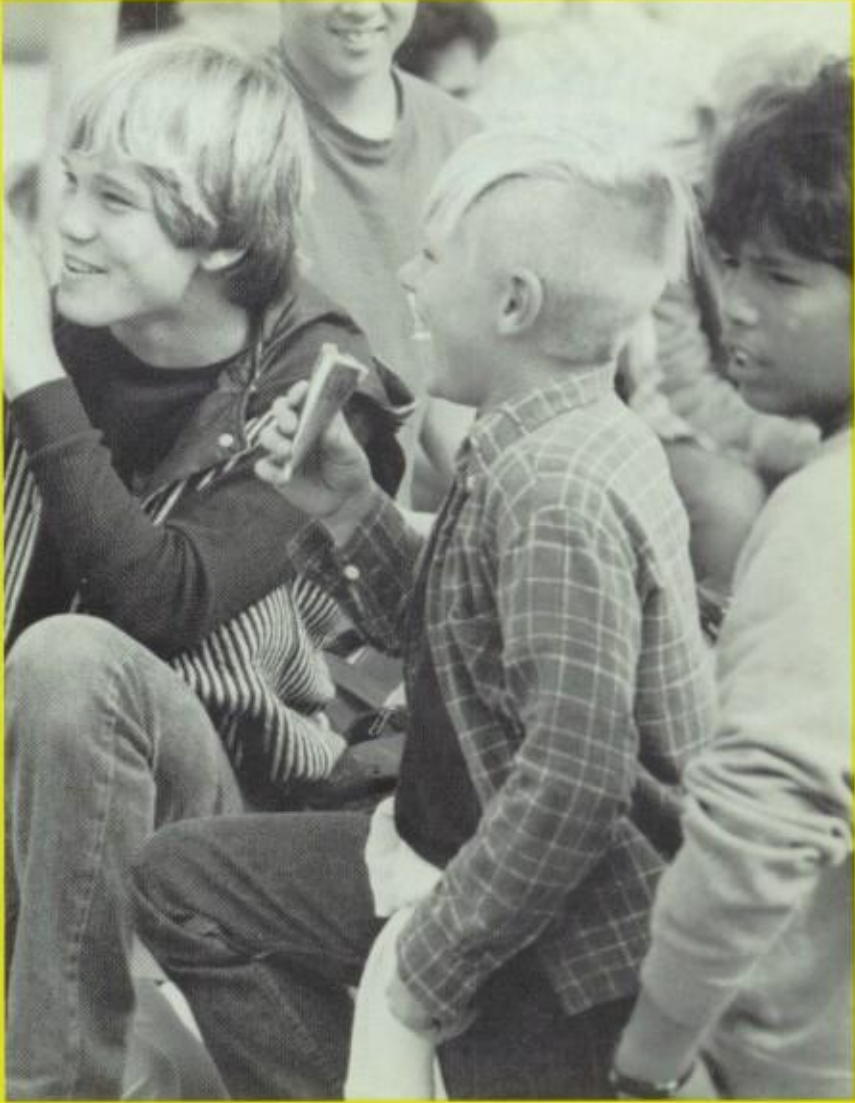

MUNCHIN' OUT

Although there were many differences between the students at Andrew Hill, we all had one thing in common. We all loved to MUNCH!

After sitting through two hours of lectures, there was nothing more satisfying than a candy bar, a coke, and a smile. From nachos to Grandma's cookies to ice cream sandwiches to whoppers, there was something in the SNACK SHACK for everyone. It was no wonder that lunch and break were the most popular times of the day.

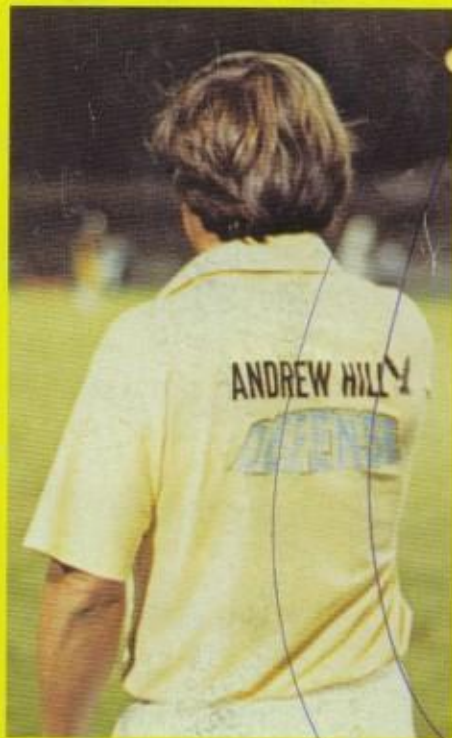

FALCON FEVER

The devoted cheerleaders with precision routines and re-sounding cheers brought us together many times throughout the year. Whether participating in an activity or just watching, everyone was rooting for the Mighty Falcons. We took pride in our school, this year more than ever and we let everyone know it. The everlasting spirit at games, rallies and other school activities was contagious, and there was no doubt that everyone caught the fever . . . The Falcon Fever!

This year was a spirited celebration of excellence!!

DEDICATION

This year we have dedicated the yearbook to a successful, talented, and truly deserving person; one who has strongly supported the Falcons over the past four years, with his undying enthusiasm and endless concern for the students at Andrew Hill. He has put forth great efforts both in the classroom and on the baseball field. We at Andrew Hill, as a token of our genuine appreciation, dedicate this year's Talon to Mr. Joe Ortega.

Mr. Ortega grew up in San Jose where he acquired a long record of outstanding accomplishments. He graduated from Sylvandale Jr. High School, where he was the 8th grade athlete of the year. Upon his arrival at Andrew Hill he continued his zeal for athletics. He participated on the undefeated Championship Varsity wrestling team as a Freshman; Most Improved player on the Frosh Soph Basketball team as a Sophomore; made 2nd team All-League in Baseball as a Junior; and as a Senior, was the Captain as well as the Most Valuable player of the Co-Championship Varsity Baseball team for which season he finished with a 390 batting average. (Way to go Joe!)

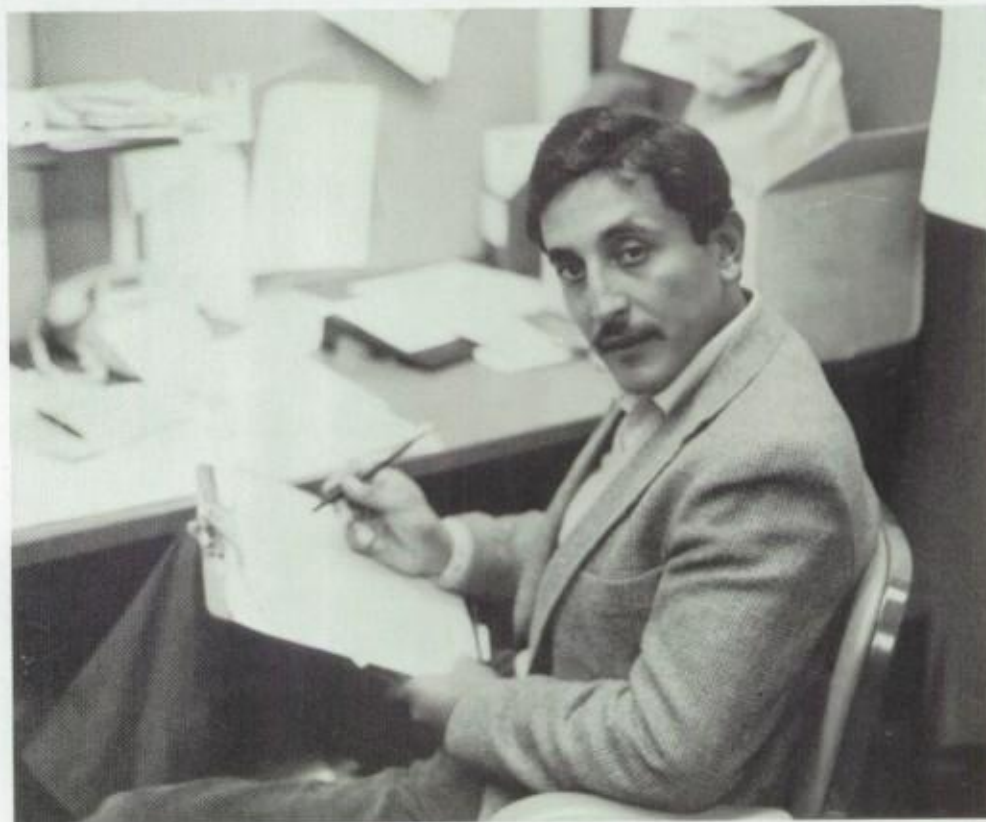

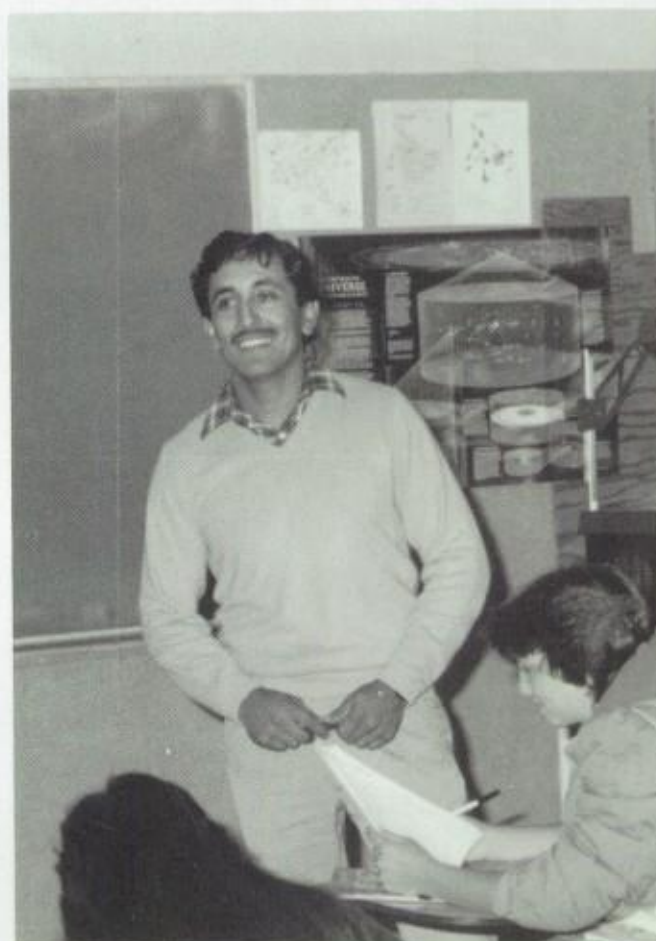

After graduating from Andrew Hill, Mr. Ortega attended San Jose City College where he was a member of the Championship Baseball team. After two years, he transferred to San Jose State, where he obtained his teaching credential.

Mr. Ortega began his teaching career in 1974 as a student teacher of U.S. History at Mt. Pleasant High School. From there his career blossomed as he became involved in coaching and counseling in addition to teaching.

Ever since 1981, Mr. Ortega has honored Andrew Hill with his presence. Since then he has vigorously endowed his time coaching Varsity Baseball, teaching World Cultures and Psychology, as well as eagerly involving himself with many of Andrew Hill's activities. Even still, as of last year, Mr. Ortega has given his time to counsel Andrew Hill's students in achieving and maintaining academic excellence.

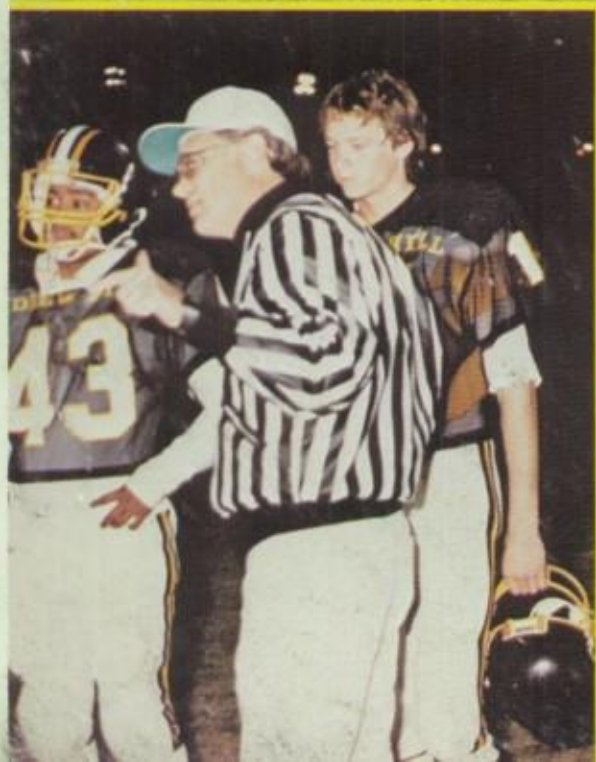

Though everything Mr. Ortega has done has been with the deepest concern and intent on excellence, his most significant and acknowledged accomplishment has been leading our Varsity Baseball team to the play-offs for the previous three years. He has brought home the first Varsity Baseball MHAL Championship in Andrew Hill's history. This in itself is a truly admirable feat for which we are all grateful.

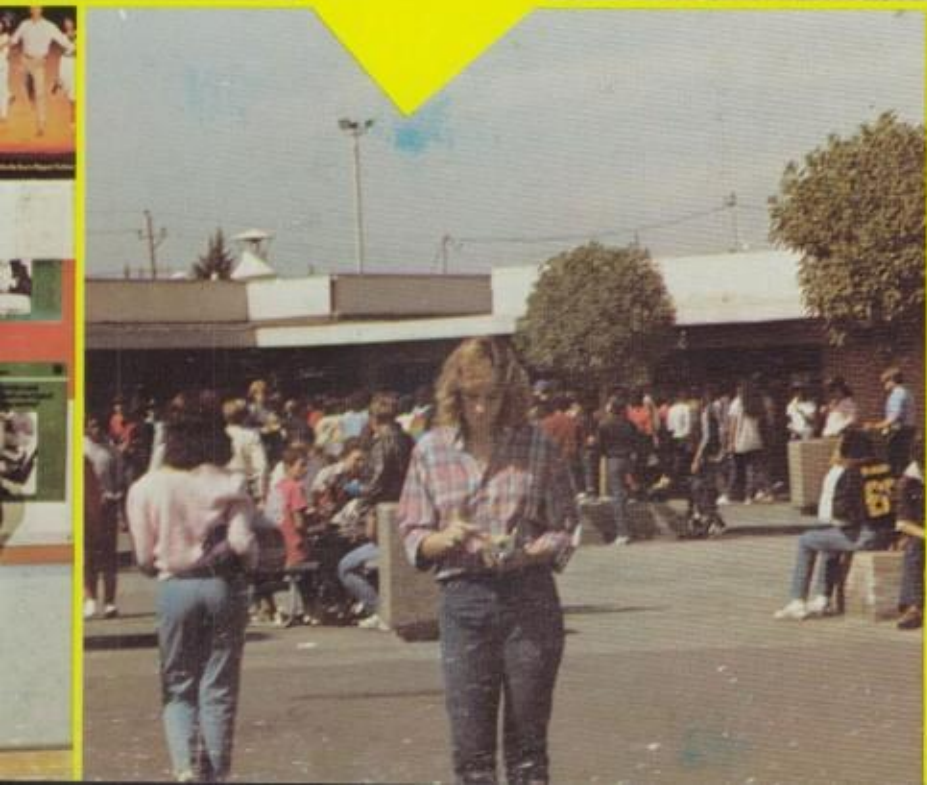

Mr. Ortega has given us much more than just his time. He has given us his love, concern, and genuine respect. We, as students, are not looked upon as inferior adolescents, rather as maturing adults by him. We hope that he will continue contributing as much to Andrew Hill as he had in the past. In a phrase we would like to say to you, "Thanks! Mr. Ortega for being our friend."

MR. ORTEGA

SENIORS HAVE THE LAST WORD

Although it is time to part,
Our friends will always be in our heart.
We laughed, cried, and smiled together
And the memories will stay with us forever ...
Corky, I love you with all my heart
I always think of you when we're apart.
Blue eyes, you always make my day
In a very, very special way

Here it is Dad, "I did it." Thanks for the encouragement I so much needed.
— Judy Schenk

1 year varsity football, 2 yrs frosh-soph. Linebackers, tough! Surprise! I made it in four years. Good luck Tim, get slammed to your heart's content; you know what I mean. Keep on quartin' bro, and to Jack Meoff; don't forget to brush your palms. Goodbye A.H. you showed me a great time.
— Helen Zuniga

Mom & Kenny, I made it like I told you. THANKS to you & my boyfriend James Cofer. Also thanks Mrs. Menge & Mrs. Maxie for being so nice to me.
— Pedro DePalas alias Ronnie Rios

Thanks whopper gang, for making all those dateless Friday nights a complete and total blast.
— Lisa Luvian

Good-bye doesn't mean forever, but it's something we all must say as our high school career comes to an end. Thanks to all the teachers, administrators, counselors, coaches, and friends who were such an important part of my life the past four years. Thanks especially to those specific people who guided me through the rough times. The times of love and laughter, of pain and sorrow — those are the memories that I shall always cherish. Adios, OGO; I'm leaving you behind.
— R.B.

Good-bye! Good-bye! Good-bye! In short, so-long to de bums, de nips, and de foo's. Farewell to Ms. Becker and the English department, the fun-loving science dept., the bookroom (Luv ya, Patty!) and all of the administration staff (Thanks, especially to Mrs. Thomas). Good riddance to the math dept. and the PE dept.!!
— MKS

I have learned many things at Andrew Hill. There have been some good times and some bad times; but mostly good. The four best years of my life are over now ... Best Wishes to the graduating class of '85. As for you juniors ... Be patient! your time will come.
— MERLIN

Hey There Chris,
What am I gonna do without you? Write a lot I guess. You really don't realize how much you've done for me. Thanks, for being my friend. Give the girls a break next year, huh? But do have fun and think about me sometimes. Okay? Don't overdo yourself skiing this summer because I won't be there to play doctor and it won't be as much fun with Bobby. Thanks for all the fun and all the love. I love you. Have fun and I'll see ya later.
— Ramsay Chu

Ruth and Susie,
Well, we made it guys. Thanks for making life bearable, even fun sometimes. Actually, lots and lots of times!! The serious times of talking, or rather counseling, are just as special as all the off-the-wall things we did. (Ruth, NIPs forever, remember?) I really can't write all that you guys have done and mean to me. So ask me sometime and I'll tell ya in person. Have either of you figured out what we're doing next year? I sure have'nt. But I know that whatever we do and wherever we go, we'll always be close. That's nice to know. So on that note, Goodbye.
— Friends Forever, Julie

The smiles, the tears, the memories — what more can one ask for in high school? It has been quite a special four years, and I regret that it has come to an end. I would like to express my sincerest gratitude to everyone, especially Mrs. Thomas, for
— Jules

making my stay at Hill such a memorable one. Saying good-bye is hard, but with it comes growth and maturity. Long live OGO!!!
— KDV

To KDV: There's one thing that you didn't get in high school — a date with Madonna. And by the way, I agree with your statement about growth, but where's the maturity?
— MC

It took me four years to find the antidote for OGO members — The OLOs.
— Lass

Geoff: "Tung, turn down the radio!"
Tung: "Geoff, are you deaf? I can't hear you!"
Geoff: "Eat your FORTUNE COOKIE."
— V

Laura P. — You are the greatest friend a person could ever hope for. Your friendship has given me many special memories, none of which will ever be forgotten. I wish you much happiness and good luck with Alan. We will always be special friends — forever.
Love,
Barbara

SNUZ:
Well, we did it! Hard to believe, huh? I'm really glad that we did it together. You're an awesome friend (even if your mom ... —J.K.). Have a good life! Remember, I care!
— Rufu

To Mr. Guido:
HA! I told you we'd do better than you. This yearbook just proves what a little smarts can do for you (something you wouldn't know about). Well, it was a nice try but this year's TALON is AWESOME. Love ya anyhow.
— C.S.

To my girls:
Good luck with your dreams. And remember if you ever need a friend, you know where to come.
— Al

Well, well, well ... This is goodbye! Four wonderful years have now passed. I want to thank all my friends and teachers who have made these the four most interesting years of my life. To the underclassmen OLO and OGO members: I hope you will carry on the tradition with pride and dignity once the senior members leave. Make sure the initiation is done right! To Lettuce, Owana, Heinz, and Shorty: Aren't you happy now? You will never hear these names again ... until we return. Have fun and enjoy yourselves. To the teachers: Yes, it's true — we seniors are leaving for good!
— Ngan (Ingan) L

As a senior, I can say goodbye to my friends
hope to see them around life's bends.
As a senior, I hate to go
but to the college guys, I say hello.
— Tricia Fiedler

I'm not going to say good bye because I know I'll see you around. So I'll say see ya later and take care until we meet again. You people have been very special to me — God bless you all.
— Melvyn V. Moss

Four magnificent years of high school have come to an end, but the memories will last forever. My deepest appreciation goes to everyone who was so helpful to me in the past (you all know who you are) — especially to Coach Alves. The bad and the good events will now be in the past, but they will never be forgotten. I have been through heartaches and pains, but I've learned from them and that's the most important thing. Thank you Andrew Hill for letting me be the BEST that I could be in everything that I did. I wish that I could be like Lionel Richie and say "Hello", but for now I must agree with Chicago and say that high school will definitely be a "Hard Habit To Break." Viva OGO and Prez An Pham (I don't know how you are going to survive next year).
— MCS

My best wishes to Marvin SoofHoo — who is one of the most wonderful, athletic, sweetest, kindest, and smartest guys I've ever met (and who is also taking me to Hawaii).
— ULTRAVOX

Kermit,
Where's my present!!!
— You know who!

To all my friends, well Allen we made it! Look out world, here I come!!
— Pat Davis

Julie, Chris, Alisa, Casey and Catherine (the Whopper Bandit), Best of luck in everything you do! Thanks for the fun times, I'll never forget our whopper parties. I'll miss you guys!
— Suz

Ruth,
We've come a long way together and I'm glad that I have your friendship to lean on. You've brought me a long way down this narrow road, and I know that I have
found the Truth. We will always be special friends. Thanks for everything!!
— Love ya, Catherine

2 years Frosh-Soph Football, Varsity Swim Team 1 year, Frosh-Soph Wrestling,

making my stay at Hill such a memorable one. Saying good-bye is hard, but with it comes growth and maturity. Long live OGO!!!
— KDV

found the Truth. We will always be special friends. Thanks for everything!!
— Love ya, Catherine

Undefeated Hwt. 2 years, Varsity Football 2 years, Vars. Wrestling. You see Mom!
Jr. Fatu

Ruth,

Thanks for your friendship! Don't forget walking like a horse, Nuggets, being Whoppered, Christmas lights (I'll never forget that!), our late night hot chocolate talks and all the other crazy, fun and special times we've had. You're one part of high school I'll never forget! And Hey! Do you think you could be a little more special, could you do that for me?!

— Love you, Snuz

The us select few: The Senior Clowns,

It's been so much fun "clowning" around together! Keep up the high spirits and stay away from those mopeds!!

— The walking lunch box

To Barbara Melgoza and Carol Shimizu,

It has been a pleasure working with you throughout these years!

— Julie Walker
"Live In 85"

My Special Friend,

Thanks for being all the people you are to me. You've taught me a lot about life and living (like how to dive, the water isn't that cold!). Out of all the things I've learned in high school, the most important things have come from you and I'll never forget the experiences (both good and bad) that we've been through together. No matter where the years take us you'll always have a special place in my heart — you GEM you!! Anyways, good luck on the ranch, huh! (HA!) I'll be thinking 'boutcha!

— Friends always, The Original GEM

This special note is to the special humans who mean so much to me. My pawees cooeys, who stood by me when I most needed you. I hope you get the best out of life. To my critic, I'll never forget you, Scott. But I still hate you! And to my mommy, thank you so much. And last but not least, Donny Duek, I will be yours and yes, I will marry you and have lots of Jellybeans. Love you — Class of Eighty-Five!

— Diane Gonzalez

To my counseling buddies: Teddy B., Tenderheart Bear and Griffy Baby, I leave you Sir Rick (no questions asked!). I'll miss you guys A LOT!! Think of me sometimes, I'll definitely be thinking of you!! You're great (even the big bear!)

— Pals, Susie H.

To my second family: The Yearbook Staff,

Well, we finally pulled it all together, through endless and very tedious work (laughing, sleeping, goofing-off, who-can-get-Carolyn-the-angriest-contests, McDonalds, missed deadlines), but the outcome is awesome! Thanks Carolyn!!!

— Catherine

Hey Mr. Martinez,

Keep pushing, huh! I'll miss you buddy!

— Susie H.

To Julie and Susie,

I could write a bunch of mushy stuff (like what great friends you are, how much fun I've had with all of you, and what special people all of you are) but that would be too much trouble! (HA, HA). But I think you know what I'd say. Thanks for being you! Hey, Julie, think you might tone down that glow, I'm going to have to wear sunglasses!

Love ya,
Catherine

RTD2,

I just wanted to say thanks. Thank you for being there through it all, and for confiding in me. I do and will always love you!

— Dufus

Thanks Mom for all your help for letting me go to school. With all my love and care. I thank God too for this. Good luck to my friends and especially to my brother.

— Luvy Marie Mateo

Bobby,

I sure as heck did miss you!. But I'm glad you came back. Remember . . . ummm . . . everything? It was a blast. You will always hold a special place in my heart. I love you!

— Molly

Red,

Do you think your skin could get any whiter?

— The "Blue" Boat

M.G.,

Thanks for being the best teacher there ever was. And thank you for being a friend at the same time. You've helped to make my high school career something that will always be special to me. I'll never forget you!

— R.B.

Donald,

We have been through a lot together and I want you to know I'm always gonna love you. You are so special, never stop believing. Remember me . . . The one who will never forget.

— Ali

Laura, Julie, Betty, Theresa, Elvira, Adrianna, and Ali, You have made my senior year the best year ever. THANKS.

— Barbie

To KDV,

You are definitely right, women are evil!! But don't let that stop you from your hunting! Just make sure that when you find your prey, it comes in pairs (don't worry if you don't understand that).

— MCS

Hey Ram,

You sure deserve the comeback student of the year award! If you don't think that anybody noticed your progress, think again. After all, you did make a dramatic improvement. Let's hope that when you become a millionaire, you will remember those two fishermen from whom you stole the goldfish (and who you left to drown!).

Best of luck always,
The QBs with the rifle
arms

To my inspirational An,

What are you going to do now that the love of your life is gone (yeah, that's me). Well, I know that you will survive somehow (but with very much difficulty). Take care of OGO now that you're prez. Best of luck for a prosperous senior year and I'll see you at USC (#1!) in '86.

— MCS

Mom and Dad, thanks for all the support, it finally paid off. I love you!

Judy, you're the best friend I ever had. We'll always be close and the memories will last a lifetime. B/B forever!

Thanks to all my friends and teachers for their help. U.S.M.C. Here I come!!

— Naomi Garcia

S.M.,

I'm glad we got to know each other better this year. You're a good friend, even if you do like to read my journal — J.K. Good Luck in life. Always remember I care! Love Ya

— Your computer partner

WHAT AM I GONNA DO NOW?! I want to get out of this place, but not away from these people. Goodbye everybody! I'll be around now and then, but for the most part I'll miss ya. Especially everybody in our "gang". Catherine, Alisa, Casey, Judy, Susie, Ruth, and Chris THANKS FOR ALL THE FUN!!! See ya.

— Me

Each day of your life do something for someone else that helps them and brightens their day. Each day of your life learn something new so that your life is enriched. Learning comes in many forms and from many sources. Books and libraries are just one way — not the only way.

— Catherine Cloninger
(librarian)

Learn to duck.

— Bill Mustanish
(English)

Never say "I can't". Never underestimate yourself. Use your potential to its fullest.

— MaryAnn Brison
(our fearless leader)

Whatever you dream — go for it. You will never know what you can or cannot do until you try it.

— Dale Crandall
(Law In Action)

Work hard at whatever you do. Be honest with yourself. Treat others with kindness and generosity.

— Melvin Rodacker
(woodshop)

Remember and appreciate the "basics" you received at Andrew Hill and visit us in 3-5 years and tell us your success story.

— Dwight Klassen
(work experience)

Take time in life to stop and smell the flowers, but don't move slowly enough to be stung by a bee.

— Rick Alves
(what does he do again?)

Take time while you are young to complete your college education and to explore career opportunities before starting a family.

— Valia Clausell
(U.S. History & World Cultures)

Work as hard as you can to improve yourself and to help others!

— Rulon Hollist Manning
(Spanish)

Honesty and reliability will earn people's respect. Hard work will get you ahead or at least give you a sense of satisfaction.

— Robert Dickerson
(reading)

Julieness,

Hope your future is filled with cuteness and happiness.

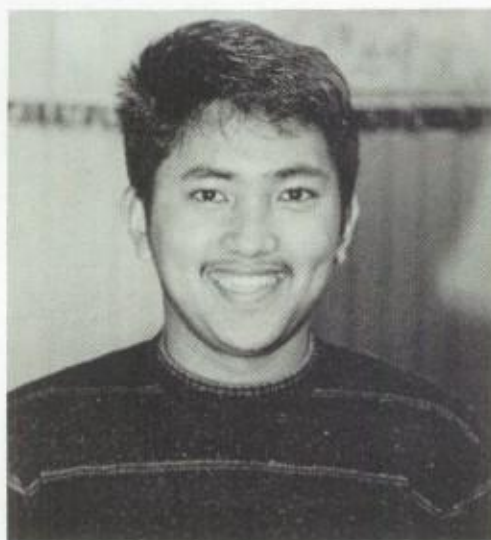

— Barbiness & Lauraness

Friend (THE ONE AND ONLY) miha,

Well you have made it through your LONG and HARD years. I'm hoping that you had fun your last year here. Especially with da crazy Samcans? you know that it was nice getting to know you. I mean you were unpredictable. I can never really know what I can expect from someone like yourself. I'm glad that I have da privilege ^{of ops} knowing you. (I hope that's the way you spell that damn word?) And of calling you my friend. Thank God that he has gotten you through all the good times (Getting blasted. ~~us~~) and as well as the bad. (That damn prom. ~~us~~?) But really you deserve all the BOLERO that you can get. I mean ya know? Smile. But really you best take good care of yourself. I wish you all the Luck in the world. I'm hoping that you accomplish all of your goals that were most desired. I also wish you all the happiness in the world. Your crazy self deserves it. Take it easy. You might break in 2? just kidding cuz. Don't party too much. Remember I'm always here. No one cares to talk to me anywhere? Smile ~~us~~ May God bless you and keep you from getting hurt?

SPIRIT WEEK

SPIRIT WEEK

Spirit week is the week where students get to dress up weird. It's the time students can show their school spirit. This year was a great success. The students at Andrew Hill High showed their outstanding spirit. From the beginning to the end of spirit week, most of the students participated.

The week started with the classic NERD DAY. A school could never be complete without a NERD.

Tuesday was the day the sheets came off the beds and onto the students.

Yes, it was TOGA DAY. It was one of the most popular days; everyone dressed up.

Wednesday, Andrew Hill was back in the 50's, from Poodle skirts to T-Bird Jackets.

Thursday was the day the Punkers came out and took over the school.

The Goolish Punkers were everywhere. This was the most successful day of the week.

Finally, the week was summed up by SCHOOL COLOR DAY. Students showed their spirit by dressing in Gold, White, and Black. This was an appropriate way to end the very successful and traditional spirit week.

HOMECOMING COURT

From left to right: Evelyn Belano, Ronnie Rios, Suzie Carboloc, Augie Apelu, Manu Ulufale, Barbara Keehner, Michael Canul, Tracy Williams

As students of Andrew Hill High School we take much pride in selecting two courts each year. The people on the Homecoming Court represent us as a student body. They are selected by fellow students based on personality and looks, and may range from athletes to those who excell in academics. This court consists of one couple from each class. Each person is special and has contributed greatly to an important part of our extracurricular activities. We would like to say that we are extremely proud of our 1984-85 Homecoming Court.

HOMECOMING GAME

This year's Homecoming was both a joyous and victorious time for the fans at Andrew Hill High School. The night was not only marked with a 31-3 victory over the Silver Creek Raiders, but also the crowning of the Homecoming Court. Augie Apelu was crowned Homecoming King and also he helped his team to victory. Andrew Hill will always be number one in our hearts.

SADIE HAWKINS DANCE

HEE HAW!!! Y'all shure looked like y'all were havin' a knee-slappin' time at tat there dance. Y'all were jumpin round like a bunch a june bugs on a hot grid-dle. All that boot-tappin music, shotgun marriages with folks gettin hitched, shure seemed jus like home. So listen, y'all better come back next year, ya hear?

BLOOD DRIVE

NOV. 29, 1984

Many brave souls participated in Red Cross' annual blood drive. The goal for the drive was 50 pints and we, the generous student body (and staff) of Andrew Hill, donated 56 pints of blood. The day's events were well worth the inconvenience it might have caused. — We'll do anything to save a life!!

Christmas Dance

"'Tis the season to be jolly," was definitely the slogan for this year's Christmas Dance sponsored by Mesa on December 14, 1984.

Music filled the gym as everyone danced and mingled with friends. Even Santa, who took a break from his toy making to stop by and spread good cheer, had fun dancing and listening to endless lists of Christmas desires.

As the evening came to an end, each person left with images of sugar plums dancing in their heads.

SEE OUR STYLE!!

Just hanging out.

The finished product!

It was December 14, 1984 when seven seniors and their two advisors set out to do what only the Class of 85 could do. Competing in the Christmas Tree in the Park contest is a tradition which started three years ago with the seniors when they took 3rd place. Last year the seniors took 2nd and this year the Class of 85 unsurprisingly took a well deserved 1st place. Led by Mrs. Clausell and Mrs. Brison, Susie Hodgkins, Ruth Bakow, Julie Kinross, Corky Myers, Theresa Esparza, Stacy Hernandez, and Nancy Whetherington, dressed in their Pride of 85 shirts, decorated Andrew Hill's tree in a musical theme with gold and red colored drums, violins, guitars, harps along with colorful lights, gold bows, beads and a bright star to top off the winning tree. The crew took a break only to eat a lunch from McDonald's and worked diligently to make the tree better than any of the other 13 schools competing in the contest. Hearing Andrew Hill's name announced as the first place winner and being presented a \$400 dollar check by Mayor McEnery made all the hard work worth it.

There is no doubt that the Senior Falcons will make 1st place a tradition for years to come!!

DRAMA CLUB

The Andrew Hill High School Drama Dept. has had a pretty successful year despite the problems that had arisen. After the smoke had cleared we had a new and very well qualified instructor. Charmain Sanders is a graduate from San Jose State University and is responsible for the survival of the Drama program here at Hill.

The Drama Club consists of some very dedicated members. Raquel Ordaz has been in the Drama Club for the last three years and is the veteran of the group. Paul McMurry has been in Drama last year as well as this year. He has been in three major plays including a lead in last year's Spring Musical "Love Life". Michael Canul has also been in the Drama Club for two years. He has had parts in two plays including a co-lead in the melodrama "For Her Cheild's Sake" Patrick Hodgkins has also had a long history of plays and some acting experience outside of Hill's Drama Club. This is Amy Belano's first year in a play. Her role as Ms. Casewell in "Mousetrap" was a difficult part, but was portrayed well by this terrific actress. This is Wendy Hodgens first play also. Mrs. Boyle was also a hard part to fill, but with this actress it's a breeze. Tim Rios has also been in two plays with "Mousetrap" being his third. Our newcomer Joe Valdez looks like a very promising actor. Behind the scenes, we'd like to thank Suzy Carbaloc, Charmain Sanders and everyone who helped in the technical department. We couldn't have done it without you.

Everyone was very impressed with the Drama Club's outstanding production of "Mousetrap" this year. The actors' talent, enthusiasm, dedication, and hard work were all very apparent. Andrew Hill is looking forward to more fantastic plays by this group.

ACADEMIC LEADERS' LUNCHEON

On March 13, the second annual Academic Leaders' Luncheon was held. Students who were on the Superintendent's Honor Roll, A-B Honor Roll, Academic Decathlon, Mock Trial, Math Team, Fleur de Lis, and C.S.F. were honored. In addition, the school wide Spelling Bee final was held. The staff, students, and parents all shared this prestigious occasion. Keep up the good work everyone!

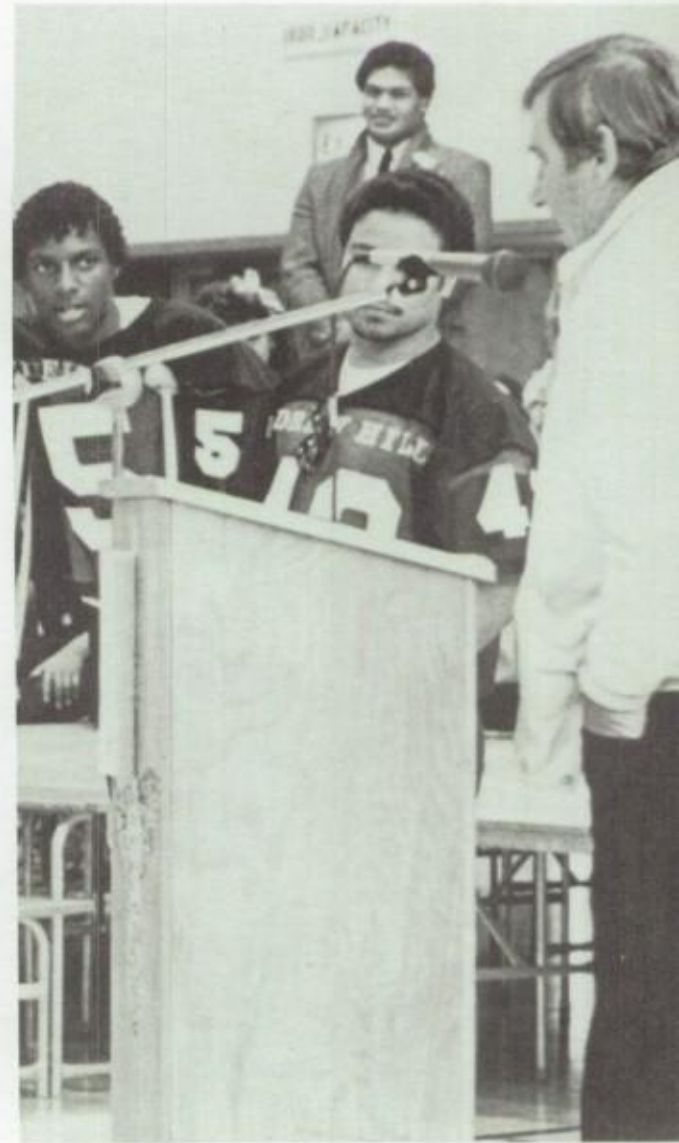

MASCOT

This year's Mascot was a very enthusiastic sports fan, Shawn McCain. Shawn continuously cheered our Falcons on to victory. Throughout the football season, Shawn romped around the field and helped the rest of the spirit leaders cheer. In basketball season, Shawn was always seen cheering and chanting eagerly. Shawn also was seen around the baseball diamond supporting our Mighty Falcons. Our Falcon Mascot was energetic, spirited and enthusiastic. Thanks, Shawn, for all the support.

VARSITY CHEERLEADERS

This year's Varsity squad had a lot of fun at cheerleading camp over summer. It was an enjoyable year for all of them as they supported the Falcons to victory. All Varsity squad members belong to the class of "86" and believe that Burger King is responsible for all their happiness. **THANK YOU FALCONS!**

LETTER GIRLS

The Lettergirls were a multi-talented group of outgoing young ladies. We showed much pride and poise in spelling "Hill" with two surrounding Falcons. Working together as a team, we formed a unity that will last eternally. We gave each performance everything we could. We will cherish our memories and keep them in our hearts forever.

SONG GIRLS

This year the 1984-85 Song Girls began the year by winning a trophy at the U.S.A. summer camp. Throughout the summer we worked hard and long to make our squad the best it could be, and succeeded. Over the year, we shared many good and bad times and there is a lot to be said about the times we spent together. In many ways we expressed our differences, but in others we shared many dreams. Each of us has differences, but in others we shared many dreams. Each of us has different goals in life and is determined to be successful. Hopefully, someday we will all be able to say, "Baby I'm A Star."

J.V. CHEERLEADERS

The Junior Varsity squad of 1984-85 has had a successful year. It was an enthusiastic and exciting experience for us all to cheer for the MHAL Frosh-Soph champions. The basketball games, rallies and competitions we participated in have left us with some wild 'n crazy memories. Even though there were bad times, the good times will always stand out. "Falcon Pride" allowed us to bring smiles to our players and energy to our crowd. We wish the future J.V. squads to have as successful of a year as we have had. We would like to thank our new advisors Lauri Gray as well as the other squads. God Bless you all.

ELECTIVE NIGHT

Many parents from the junior high schools, such as Leonard Herman, Caroline Davis, and Sylvandale, gathered on Election Night to help their children decide on what courses to enroll in at Andrew Hill next fall. Teachers and students at Hill were on hand to discuss the various educational departments, such as physical education, foreign language, science, and homemaking. Harold Chery was undoubtedly successful in convincing the incoming freshmen that they can also blossom into such a body by involving themselves in P.E. Mr. Manning's "¿ Como se llama?" probably left students bewildered — and most likely curious enough so that they will take Spanish next year just to figure out what he said. Elective Night was certainly a good opportunity for the incoming freshmen to gain a perspective view of Andrew Hill High.

THE PRESIDENTIAL MESSAGE

I am very proud to have been Student Body President in such a school as Andrew P. Hill. While getting involved in student government, I asked myself not what Andrew P. Hill could do for me, but what I could do for my school. In return it has helped me in countless ways.

STUDENT GOVERNMENT

The Executive Council is comprised of all the class presidents along with several other officers who are responsible for various activities. Each member is required to maintain a 2.0 GPA and is responsible for attending all meetings.

The Student Council meets once a month to discuss innovative ideas for student activities. Representatives from each 2nd period class are under the guidance of the Student Body Vice-President and are responsible for appraising their fellow classmates on current events.

**Mrs. Maxie — Activities
Director**

With the spirit that our students exhibit regularly and along with school pride, working with activities has been very rewarding. Personally, it has been challenging as we have accomplished many of our goals. It has enabled me to work with the students, staff and truly get to know them. Andrew Hill High School is only as good as the students, staff and parents, who make up the HILL family allow it to be. Thank you, everyone who has helped make 1984-85 a great year. "We can make a difference."

SUPREME COURT

The Supreme Court consists of nine justices who serve to uphold the laws set forth by the school constitution. They are responsible for determining disciplinary actions on those who fail to comply with the rules. All of the justices must maintain a 3.0 GPA in order to qualify to hold the office.

STUDENT GOVERNMENT IN ACTION

CLUBS

FYO

The Filipino Youth Organization is open to any Andrew Hill student who is interested in following the Filipino Culture of today.

LASO

The Latin American Student Organization is open to all students interested in becoming more aware of the Latin American culture and their language.

BSU

The BSU organization is set up, not only for the Black student body of Andrew Hill, but for all students who are interested in joining the club. BSU is a social and cultural club. Our goals are to make the student body of this school more aware of the contributions that Black people have made to the United States, and also to display to the student body that Black students are proud.

Ski Club

What better way to learn how to ski than to join the ski club? This club is open to all students interested in learning how to ski or just the fundamentals of the sport.

Dance Club

The Dance Club is open to all students attending Andrew Hill who are interested in dancing and performing.

Science Club

Members of the Science club offer many of their services, one of which includes afterschool tutoring. Fund raisers are set up to help finance field trips to museums and various scientific areas. Through this, we hope that students will be able to expand their horizons in the science field.

Cake Decorating Club

The Cake Decorating Club is made up of Cake Decorating students. Our main project is to sponsor the UNICEF drive at Andrew Hill High each year. We usually participate in the Cinco de Mayo activities.

Ink and Feathers

Ink and Feathers is the school's literary magazine. Students are given the opportunity to demonstrate their ability in poetry and short story writing.

CSF

The California Scholastic Federation stands for high academic achievement, leadership, and integrity. Members are expected to demonstrate and maintain intellectual desire and promise. CSF has long been renowned for elitism, and it will continue to uphold this tradition.

MESA

The MESA Program offers under-represented minorities the chance to excel in the math/engineering fields. Tutoring is available during the school year and summer school is offered for those who wish to catch up or advance to higher math.

Mock Trial

Who can be more proud of last year's Mock Trial team, which finished second in the county, than our own principal? Well, more is expected this year as the team plans to move up to the top notch. Participants are exposed to the complicated system of the judicial branch and are given the opportunity to learn the true meaning of the word justice.

Math Club

The Math Club provides an opportunity for many students to display their potential in the field of mathematics. Last year's team captured third in the district and finished closely behind top rank Gunn and Palo Alto in the county. The only goal left is to capture FIRST PLACE in both competitions!

Hill's largest ethnic group, Hispanics, has contributed to both our school and community. Hispanics have added to the diversity of Hill's clubs and participated in sports and student body affiliated activities. The M.E.S.A. program provides tutoring to students and also exposure to different types

sports and A.S.B. activities. Their various European heritages provide interesting insights into ethnic diversity.

Asians are also a very important part of Hill's student body. It becomes quite obvious that education is very important to Asians when one observes the large number which are members of such academics organizations as

Key Club

The Key Club is an active club whose main priorities are the Blood Drive and the March of Dimes Walk-A-Thon. The Key Club also raises money for scholarships. It is open to any student who is interested in helping others at school or in the community.

FLEUR DE LIS

Fleur de Lis is the branch of the National Honor Society at Andrew Hill. This selective group must have at least a 3.5 G.P.A. and be active in the community as well as at school. Fleur de Lis promotes student involvement in the community and also sponsors National Student Leadership Week.

ACADEMIC DECATHLON

The Academic Decathlon is an annual event held in November. Ten tests are given to students from more than thirty schools in the Santa Clara Valley. Each school is represented by six participants and three alternates. This year Andrew Hill ranked seventeenth in the overall rankings and third in the district. These nine students and their coaches put in numerous hours of time and effort. The students had to prepare for tests in ten different categories including typical school subjects like science, math, and English. In addition, they had to study economics, fine arts, and speech. The main event of the day was the Super Quiz. This was an event in which each student sat in front of more than five hundred cheering fans and answered five "brain-draining" questions. The participants had to study the very broad subject of "Futurism". Even though the Decathlon was an enormous amount of work, the entire team agrees that "It was worth it!"

AV CREW

The Audio Visual Crew of Andrew Hill is the club that is responsible for the audio and visual needs during the school year. The A-V crew is a service organization that is responsible for many activities including rallies, class competitions and athletic games. This year, the A-V crew, also known as KHIL, was few in number. Nevertheless, they provided us with great music at lunch and during school activities. Under the leadership and guidance of president Michael Canul, students were given the opportunity to learn more about audio and visual equipment.

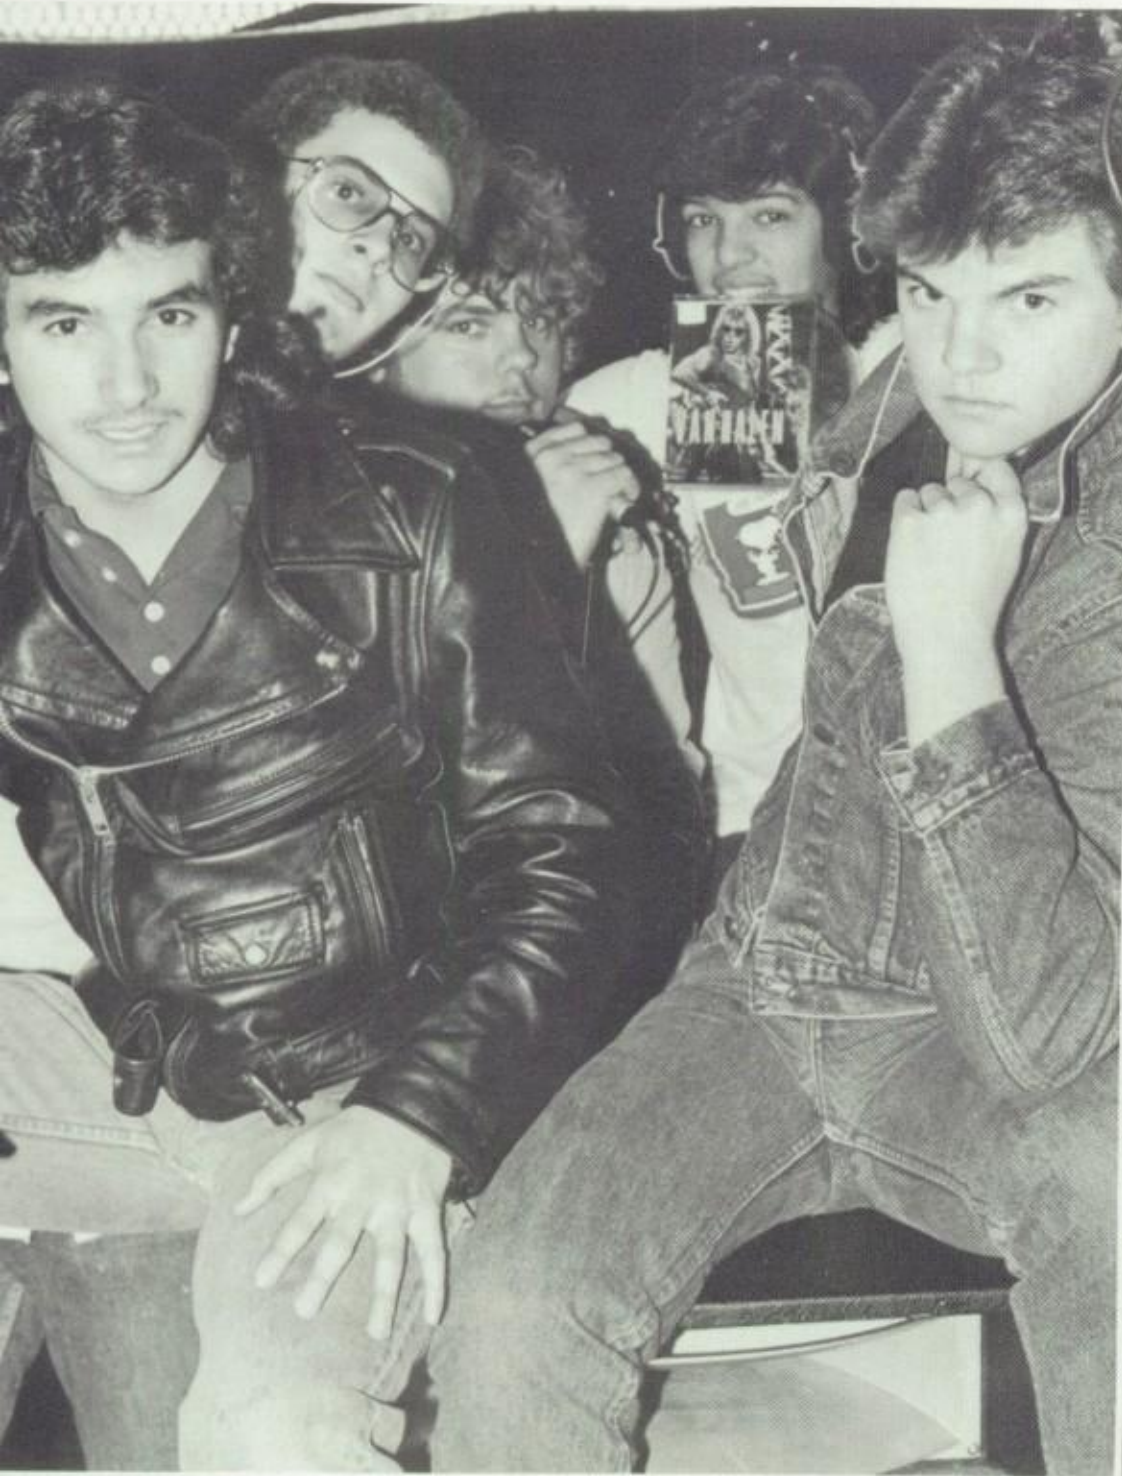

PHOTO CLUB

The Photo Club is comprised of students who are interested in photography. Meetings are held every two weeks in which current ideas about photography are shared. President Linda Ruston states, "The Photo Club is for all those who are interested in photography. It is a good opportunity to get together and share interests; but mostly, the Photo Club is for fun!"

Thanks for all the fun times (and the not so fun ones too). I'm surprised we actually finished this baby. The late night meetings and early morning phone calls were all worth it. Carolyn, thanks for letting me drive your Porsche, the Cheezits, putting up with our moods, and all the countless hours you spent on this book (even if you did get paid for it). To the poor soul who gets to be editor of next year's book. I wish you luck — you'll need it! I just can't believe we made the whole thing.
— Ruth

I am very proud of the 1984-85 yearbook. This year the Talon has been made possible by a very dedicated group of students, who have put in many hours, days, weeks etc. In behalf of the Staff and the A.S.B. I would like to thank the students who have made this possible. We congratulate the Falcon Yearbook Club for their efforts in creating a superior yearbook.

Mrs. Maxie
Student Activities Director

All mistakes are due to Ruth, all good ideas were mine. This yearbook could not have happened without Ruth's enthusiasm, Chris and the mighty cropper, Catherine's flowing pen, Julie's patience and understanding plus her fast finger work on the typewriter, all of Susie's pictures, every one of them well deserved even though she quits every other day. Mr. T and Mr. V's (or vice versa) great wit and their ability to have a better idea, Ernie's quiet ways which seem to turn out great pictures. A.H. you should be proud of these students. They have spent many hours on this book. You're all great!

What to say, what to say. That's almost as good as what do I do, or better yet, do I have to and ultimately BY WHEN?! But, obviously we made it, and we even had fun doing it. Most of the time anyway. Thanks for all the support and goodies Carolyn, they helped more than anything!

— Julie

CHRIS HENRIQUES

I'd like to thank the Academy, I mean the rest of the yearbook staff for this prestigious award. I am honored that I am allowed to participate in such an important club. (ha, ha) Thanks staff for the fun and laughs. Thanks for the food too. (Especially Carolyn and Catherine who usually paid). The late night emergency meetings and the ones at McDonald's were fun. One last special thanks to the advisor, without her we couldn't have done it. ENJOY!

— Chris

SUSIE HODGKINS

Look, for the 20th time **I QUIT**, alright!! What do you people want from me!? (Actually, to tell the truth, my year really would not have been complete without you guys and yearbook).

— Susie

I'd like to thank the yearbook staff for teaching me some of life's essential lessons: How to miss important deadlines, how to watch T.V. and look like I'm working, how to compile a bunch of nonsense so it resembles something worth reading, how to talk my way out of selling an ad, BUT especially for showing me how to get admitted into Agnews without even trying!

— Catherine

CATHERINE SHAMBURGER

I don't even want to imagine how this yearbook would have turned out if I weren't on the staff. Actually, I didn't really do that much because half of the time, no one listened to me! My ideas were good but with Ruth's ignorance, Susie's stubbornness, Chris "I don't know", Julie's "What?", Catherine's "That'll be stupid" and Carolyn's "NO!", they decided to chuck all of them. Anyways, thanks to everyone for letting me be part of this family. It was real, it was fun, it was real fun.

FALL SPORTS

PATRICK ROBELLO

a junior, was a two-way ball player who played both offense and defense. A most exciting runner on offense and a fierce defensive back on defense, Pat made good things happen for Andrew Hill's Football team. He was the best running back on the 1984-85 Varsity Football team. He scored 6 touchdowns and rushed for over 400 yards. On defense, he was one of the best tacklers on the team. Even though only a junior, Patrick showed strong leadership qualities. He was often selected by his teammates as game captain. As final honor, Pat was voted most valuable back on this years team and was also selected to second team all-league.

BICH TRAN

number one singles player for the girl's Tennis team was voted most valuable player for the 1984 Fall Season. As a Freshman, she has not only exhibited great potential and promise, but also great sportsmanship. Her example as a dedicated and hard-working player has inspired the rest of the team to stick together and support one another on the court as well as off.

THE BEST OF THE BEST

ALICE SENE

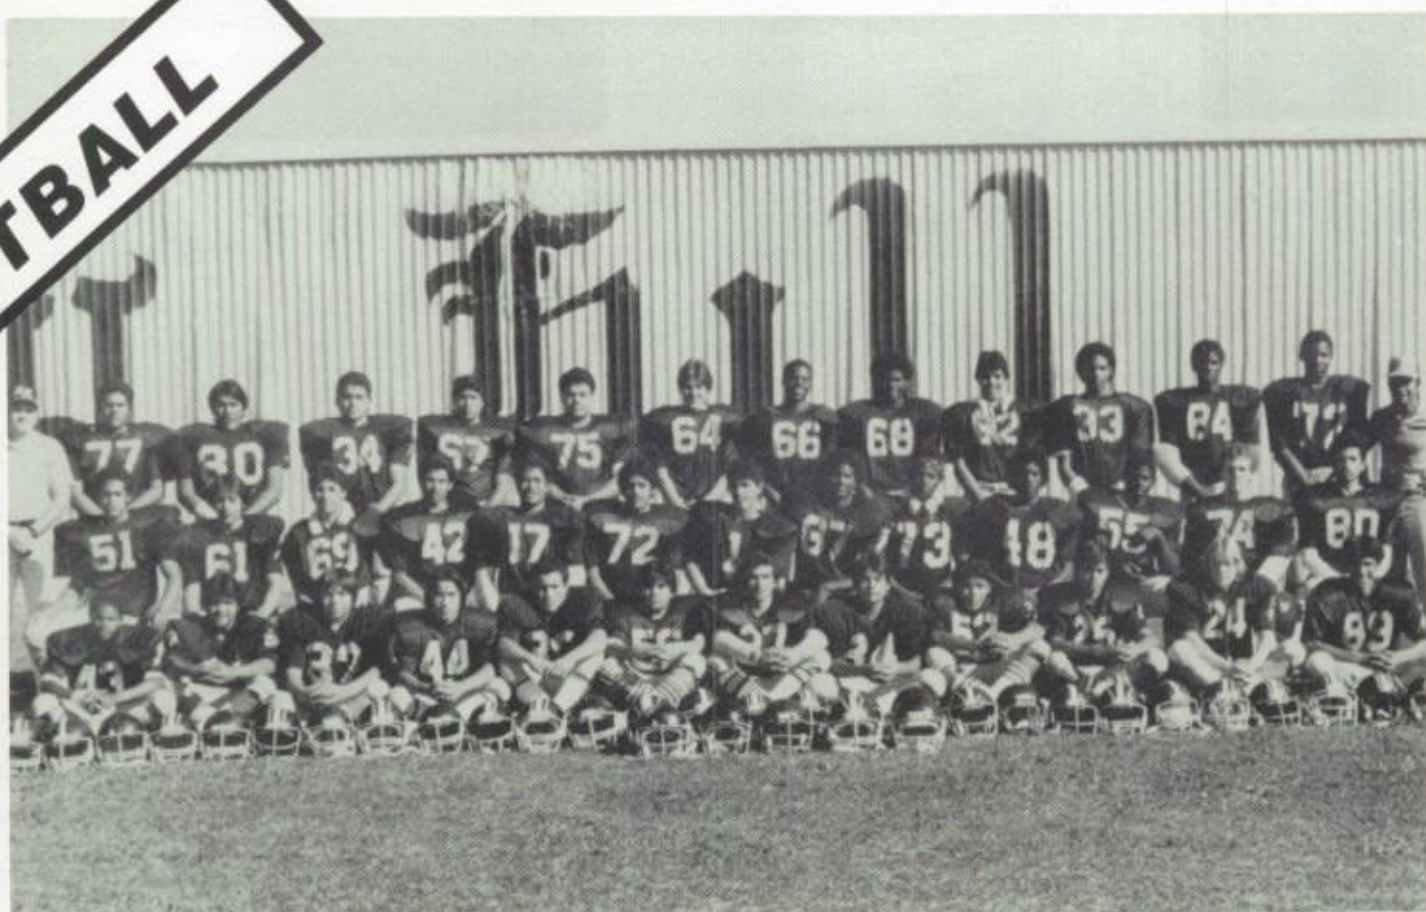

a sophomore, was selected as an all-league player and as most valuable player for Varsity Volleyball. She demonstrated excellent skill as our #1 setter. Her pleasant attitude and will to win, helped keep the team together during losing moments. Her selection as M.V.P. was a team decision backed-up fully by the Coach and assistant Coach. She is a lovely girl and an asset to any team.

BARBARA KEEHNER

a senior, was the fastest and most experienced runner on the 1984-85 Cross Country team. She is an excellent distance runner and was named most valuable player for the fourth year in a row, an honor rightfully hers. Barbara's determination, dedication and ability in X-Country has made her a leader and the nucleus of the team.

VARSITY

1984 will be remembered as the year of adversity for the Varsity Football team. Our No. 1 QB became ill at the beginning of the season; we lost our No. 1 split end in the middle of the season, and we lost another player due to ineligibility.

Coach John Germaine

This year's Varsity Football season was really a roller coaster ride of ups and downs, but as always, it's fun to ride the roller coaster with Andrew Hill students.

Coach Rick Alves

You can judge a season by how many close games you've won. We won twice as many as we lost so we had a good season. We beat Los Banos 10-7, Santa Teresa 10-6, and we lost to Overfelt 14-15.

A SEASON IN REVIEW

Although the varsity football team faced tremendous adversity this season, they still managed to retain enough spirit and determination to finish the year with a 6-4 record. Junior Patrick Robello played with consistency throughout the season on both offense and defense and earned a First-Team All-League honor as a defensive back. Robello also led the team in rushing with 465 yards and scored four touchdowns. Junior Augie Apelu also made the First-Team All-League as an offensive lineman. Apelu, along with teammates Dennis Carter, Junior Fatu, Mario Luna, B.B. Aguirre, and Sean Morreale, provided enough protection for QB Corky Myers to finish the season with 808 passing yards and nine touchdowns.

The Falcons got off to a fast start this season by winning their first four games before dropping four of the remaining six. However, injuries plagued the Falcons from mid-season on and they were never able to recover. WR Eric Brown was leading the team in scoring and was headed for a sensational season before a knee injury sidelined him for the remainder of the season. Steve Alvarez provided relief help but suffered a hip injury that also ended his season.

The Falcons will boast many returning players for next season, including a handful of prospects from this year's championship frosh/soph team that will help the Falcons contend for a championship title next year.

WINTER

THE BEST OF THE BEST

Melody Mitchell

She can hit the corner jump shot, pass off the dribble, rebound at both ends of the court and block shots. Melody Mitchell, an adept 6-1, junior forward, nicknamed the 'Amazon' spent many long hours developing her skills. After accepting the role of captain of the Girl's Varsity Basketball team in only her junior year, she showed a unique leadership trait. She led the team in scoring, rebounding, foul shooting and shot blocking. Mitchell won both the hearts and respect of every team she played against. A 1983-84 All-League selection, Mitchell demonstrated in the 1984-85 season why she had earned a repeat birth on the All-League team.

Tung Quach

A Senior, was a returning defender to the Falcon squad this year. He was a strong player and was constantly involved in breaking up the opponents attack. He was a consistent player and always gave 100%. Tung was one of the best defenders in the league and was voted M.V.P. for the Falcons this year.

Donald Wade

was voted by the league coaches as the M.V.P. of the North Division. The 6'4" pivotman lead the team in scoring with an average of 21.6 points per game (4th in the Central Coast Section). The team had its most successful season in the history of the school and even though basketball is a team sport, Donald was very instrumental in showing the way. When Donald was on he could destroy the opposition. Next season Donald will be playing for either West Valley J.C. or SJCC. We at Andrew Hill wish him all the best. Thanks for the memories Donald.

Vu Le

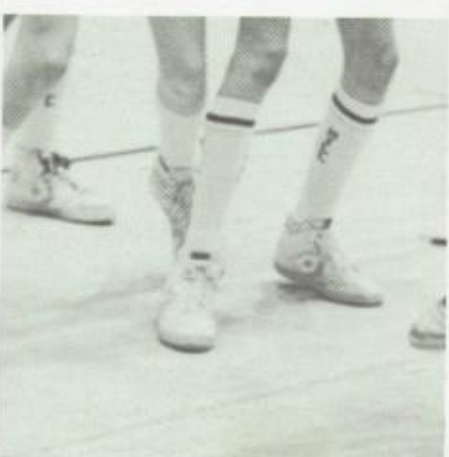

A Freshman, was the leading scorer for the Falcons this year. He is a very skillful player with good ball control. He dazzled the opponents with his dribbling and was a steady offensive player. Vu will be an asset to the Falcons soccer team next year.

Sandra Costa

Sophomore, honor student, Sandra Costa has contributed much to the girls soccer team. Sandra was present at almost every practice and at every game she really gave her all. The rest of the team could count on Sandra to get the ball, and she always seemed to do the right things with it. Sandra was a great help on both offense and defense — she scored 10 goals this season and helped stop innumerable goals.

VARSITY

Our goal for this year's Varsity Basketball team was to make the MHAL play offs. For the first time in the history of the school — we made it!! The playoffs was the icing of a successful season, as we finished with an overall record of 15-8, 9-4 in the league.

The team had three players on the All-League team, Donald Wade, Robert Washington and Tony Pardo. Hopefully, our winning ways will blossom into a tradition.

GIRLS BASKETBALL

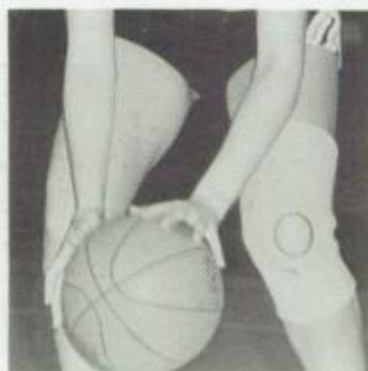

(left to right) MaryAnn Laufasa, Melody Mitchell, Charmaine Wilson, Michelle Kantor, Setta Hill, Ruth Bakow and Coach Jones

VARSITY

The 1984-85 girls' Varsity Basketball season was highlighted by an aggressive and spirited team play. Although the team did not experience a winning season, they proved that "it's not whether you win or lose, but how you play the game that counts," is still true.

Spearheading the thrust of Hill's aggressive attack was MaryAnn Laufasa, power junior forward. Laufasa was an influential factor in many of the team's victories, along with Senior Point Guard Ruth Bakow. The lone senior on the team, Bakow was an adroit ball-handler and skillful court tactician. Every team had a small fast guard and Junior Guard Charlesetta Hill filled the position for Hill. Hill's quick hands and untiring devotion to winning provided the team with many defensive turnovers and steals. Charlesetta was voted Most Improved Player for the 1984-85 season by her coach and teammates.

Michelle Kantor, junior forward, typified team spirit; a first year player, she constantly strived to improve her skills. Senior Forward Charmaine Wilson was instrumental in providing our key scorers with assists and her altruistic qualities won her the respect of her teammates.

VARSITY

The Andrew Hill girls soccer team did not have an overly winning season. They lost 10, tied 1, and won 2. The general consensus, however, is that "It was fun, anyway!" The girls who had been coached by Mrs. Davis for some time now experienced a new coach — Mr. Vincent Barile. Mr. Barile's coaching style proved to be different from Mrs. Davis' and the team did not know whose instructions to follow. But, through all that the girls still managed to have fun scrimmaging the boys in practice and having some pretty exciting games.

The Boy's Varsity Soccer Team finished the season on a winning note by defeating the James Lick Comets 5-3. The Falcons struggled throughout the season but had their bright moments. The Falcons opened the season with a 3-0 shut-out against Overfelt. They also shut-out James Lick earlier in the season by a score of 3-0. Senior David Scott was a leader for the Falcons and was voted team captain by his teammates. Seniors Kien Nham and Jerry Sul were steady midfielders while senior Dung Le contributed to the offense. Dung scored 2 goals and had 3 assists despite his absence from the last three games which due to an injury. Sophomore Reyes Estrada and junior Gordon O'Dell improved throughout the season and were an important part of the Falcon squad. Senior Tung Quach was a leader in the defense, while freshman Vu Le was leading the offense for the Falcons. Vu tallied 8 goals with 1 assist this season.

SPRING

THE BEST OF THE BEST

JULIE KINROSS

A senior and 10 year competitive swimmer, has contributed much the past four years that she's been on the Falcon swim team. Her enthusiasm and optimistic personality makes her a fun person to be around on and off deck. Although the team has been small these past years and unsuccessful because of its size, Julie has excelled on her own and has accomplished many goals. As a freshman she went to C.C.S. in three events and has placed within the top ten in league finals each year. Julie has been Team Captain once and voted Most Valuable swimmer twice, honors she fully deserved. This year she swims her best stroke, butterfly, in the girls medley relay and our team just wouldn't be complete without her!! Good Job Jules!

SUSIE HODGKINS

A senior, has been swimming competitively since the age of seven. Along with being one of the fastest breaststrokes and freestylers in the league and definitely the fastest breaststroke on the team, Susie is also the center of spirit and fun for the team. She can get the whole team going with off-the-wall songs or spirited cheers and chants. Besides promoting spirit, Susie has been dedicated enough to place in the top five in league for the 100 yard breaststroke and freestyle, as well as qualifying for C.C.S. her freshman year when it was possible. She also earned the titles of Team Captain and Most Valuable last year. Susie has continued in her abilities this year and is absolutely a strength to the team! Good Job Snuz!

CHARMAINE CARINO

Charmaine Carino began her Badminton career last year as a freshman. She fought last year just to be an official player at the bottom. This year she finds herself at the top without the struggle to get there. A lot of pressure is on her shoulders and so far this season she has accepted this challenge. She is dependable, a team leader and works hard. She has the desire to be the best she can be and is eager to improve. Charmaine will be a good leader for the team and a definite asset!

KHUONG VU

Khuong Vu is playing #1 singles on the Boys Varsity Tennis Team for the second consecutive year, after having played that position in his first year out for the team. He has proved to be among the best in the MHAL by getting off to a 2-0 start this season. Khuong has all the attributes of a successful tennis player — quickness, intelligence and aggressiveness. His ability to think strategically on the court and to stay on his toes at all times enabled him to rise to the top.

MICHAEL GRAY

A sophomore, has been swimming competitively for 9 years. Presently he swims for the South Valley Swim Team as well as for Andrew Hill. Mike's favorite events are the 100 Fly with a time of 58.7, the 200 I.M. time of 2:16.07 and the 100 Free with a 54.02. Early in the season Mike was ranked #4 in the Central Coast Section. Michael's main hopes for his future with the Falcons is to have the opportunity to compete in C.C.S. and to be able to swim in Andrew Hills new pool. The team appreciates his talents and looks forward to having him lead the team in the two years to come.

JOSE VIDAL

A senior, is the surprise of the league with his spectacular pitching and fielding, as he was unable to play last year. Jose has pitched the first two of our three league wins and a first place standing in the North Division. Jose is currently among the top pitchers in the CCS with zero losses and four wins. He has allowed less than one run per game. Jose's fine play at shortstop qualifies him as one of the league's best. Jose's goal, along with his other teammates is to repeat as North Division Champions.

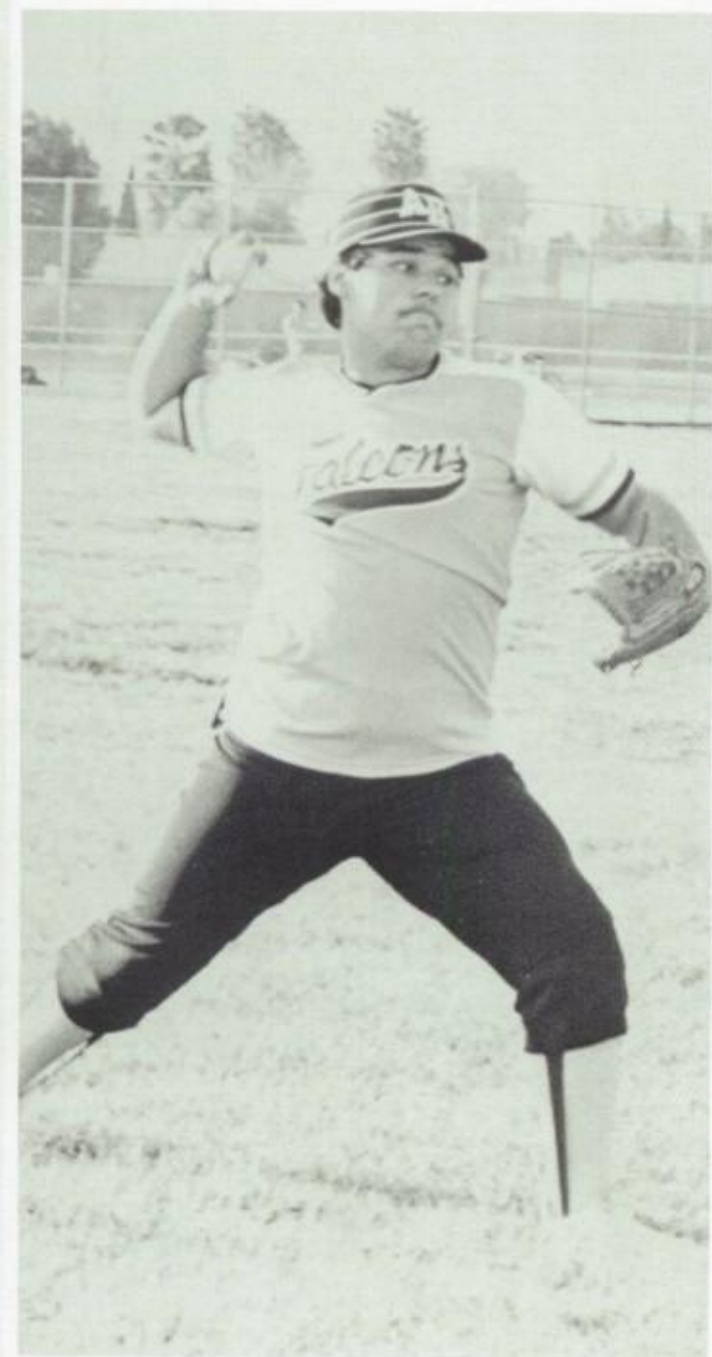

DANNY PORTILLO

A senior, has been an exceptional pitcher for the Andrew Hill Varsity Baseball team. He helped the Falcons reach the MHAL Playoffs in 1983. Last year, Danny pitched brilliantly to defeat Santa Teresa and win the (first-ever) MHAL Championship. This year, Danny is among the best pitchers in the CCS. He struck-out 13 players in a tie against Valley Christian. He also led the team in pre-season hitting, including doubles (3). Danny has the potential to play college baseball. Thank you, Dan, for contributing to our success, pride and spirit of the Andrew Hill Falcons.

The Falcon Varsity Baseball Team plans to repeat as North Division Champions. They started their season with a record of 4-0 in league play and in first place. The young Falcons have shown remarkable improvement over the season.

The strength of this year's team lies in their excellent pitching staff led by Danny Portillo and Shawn Rohrwild. They have all pitched brilliantly in their victories. Jose has impressed us with 4 wins and no losses! Danny struck out 13 against Valley Christian and Shawn Rohrwild fanned 11 batters against Palo Alto.

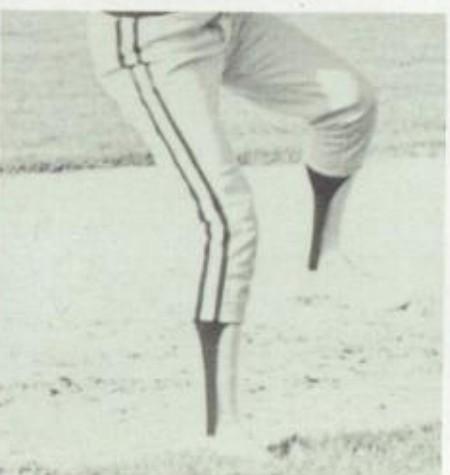

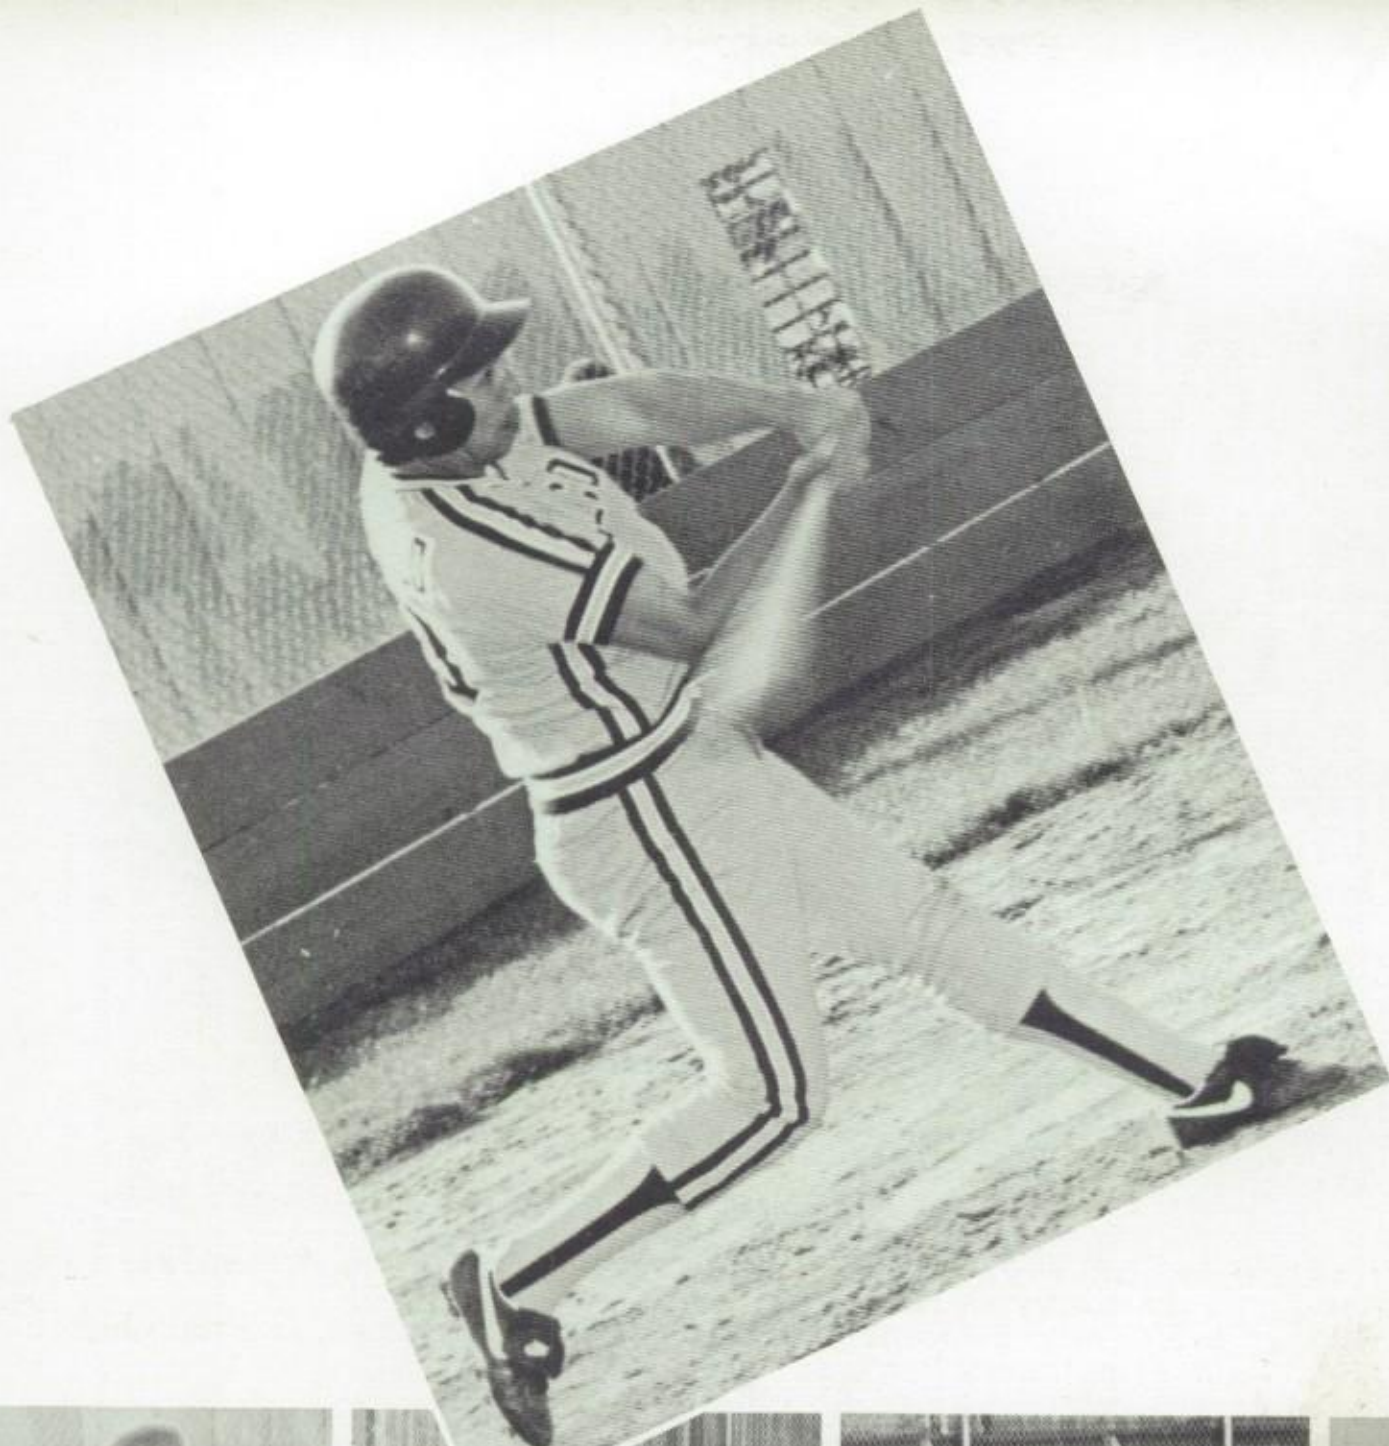

The defense has shown the biggest improvement. The Falcons have not committed an error during the past 2 games! Anthony Donnell and Allan Hack have shown steady improvement at second and first base. Vince Zamora has also improved in the most difficult position of catcher.

The hitting attack has been led by Danny Portillo, Corky Myers, Shawn Rohrwild, Jose Vidal, and Allan Hack.

The Falcon overall record is currently 6 wins, 3 losses and 1 tie. The team has sacrificed their time and dedicated themselves to hard work so that they will repeat their goal of being Division Champions. Perhaps their dream of repeating as MHAL Champions will also come true.

This year was the turning point for Andrew Hill's Track and Field Team. This was one of the few instances that the athletic ability came together to form one of the potent sprint and relay teams of the M.H.A.L. and C.C.S. Robert Washington came to be one of the top sprinters in the C.C.S. and along with Andre Jackson, Mark Dominguez and Eric Jennings formed one of the premiere relay teams in the valley. In the mens distance, senior Phil Bella finally came into his own.

On the women's side Barbara Kheener proved that she was a great middle distance runner. Also not to be outdone was the girls relay team, consisting of Caroline Young, Angela Flenoid, Lynette Smith, and Sandra Costa, which competed against many well equipped varsity teams and proved themselves very well.

Coach Vultee: Once this team finds their self-confidence, we can go a long way.

Cliff: I'm on a Vision Quest this year; with Peralta gone and this being my senior year, I am going to make my mark on the world in 1985.

Marvin: This biggest surprise this year will be the two freshmen, David and Ngoc. They provide the enthusiasm for this team and no matter what happens this season, they are definitely true winners.

The 1985 girls badminton team is the defending MHAL Champions, and although the top ranked players graduated last year, it will still be a difficult task to dethrone the Falcons.

"Last year's miracle season was a dream come true. It's difficult to envision something like that happening again, but as long as we work together, have fun, and give it our best effort, then we're going to have a great season."

Andrew Hill has more than just a swim team. The Falcon swimmers begin their day with a rigorous workout at 6:30 A.M. at Oak Grove. Then an hour later there's the mad dash to be dressed and back to Andrew Hill at the time the tardy bell rings at 8:15. But that isn't the end of it. The elite swimmers who are members of this team are also ready for another demanding workout right after 5th period as they board the bus destined for Oak Grove. Coached by Lauri Gray and Mr. Patterson the team has excelled in all areas.

The girls 200 Medley Relay team are contenders for first place and have already won against Independences highly respected relay team. With the combined talents of Dee Ferguson swimming backstroke, Ruth Bakow swimming breaststroke, Julie Kinross swimming butterfly and Susie Hodgkins anchoring the relay swimming freestyle the team is destined for many victories.

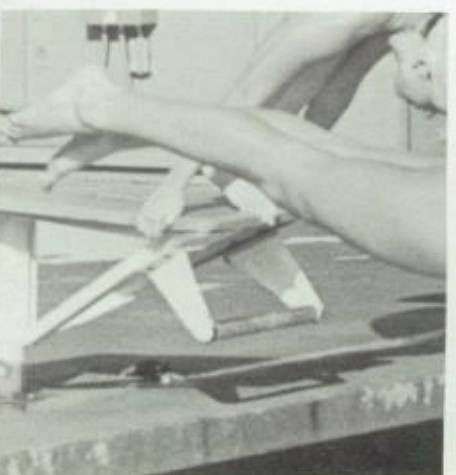

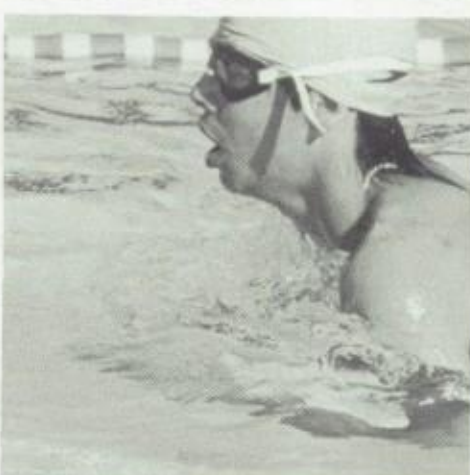

The guy's team, although small in numbers, has just as much quality as the girls team. The guys also have a superb relay with Michael Gray excelling in butterfly, Mike Oederkirk starring in backstroke, Erik Carlson in breaststroke and Dave Byers in freestyle. And with Nicole Fischer's diving expertise, the Andrew Hill Swim Team is certain to JAM wherever they compete!

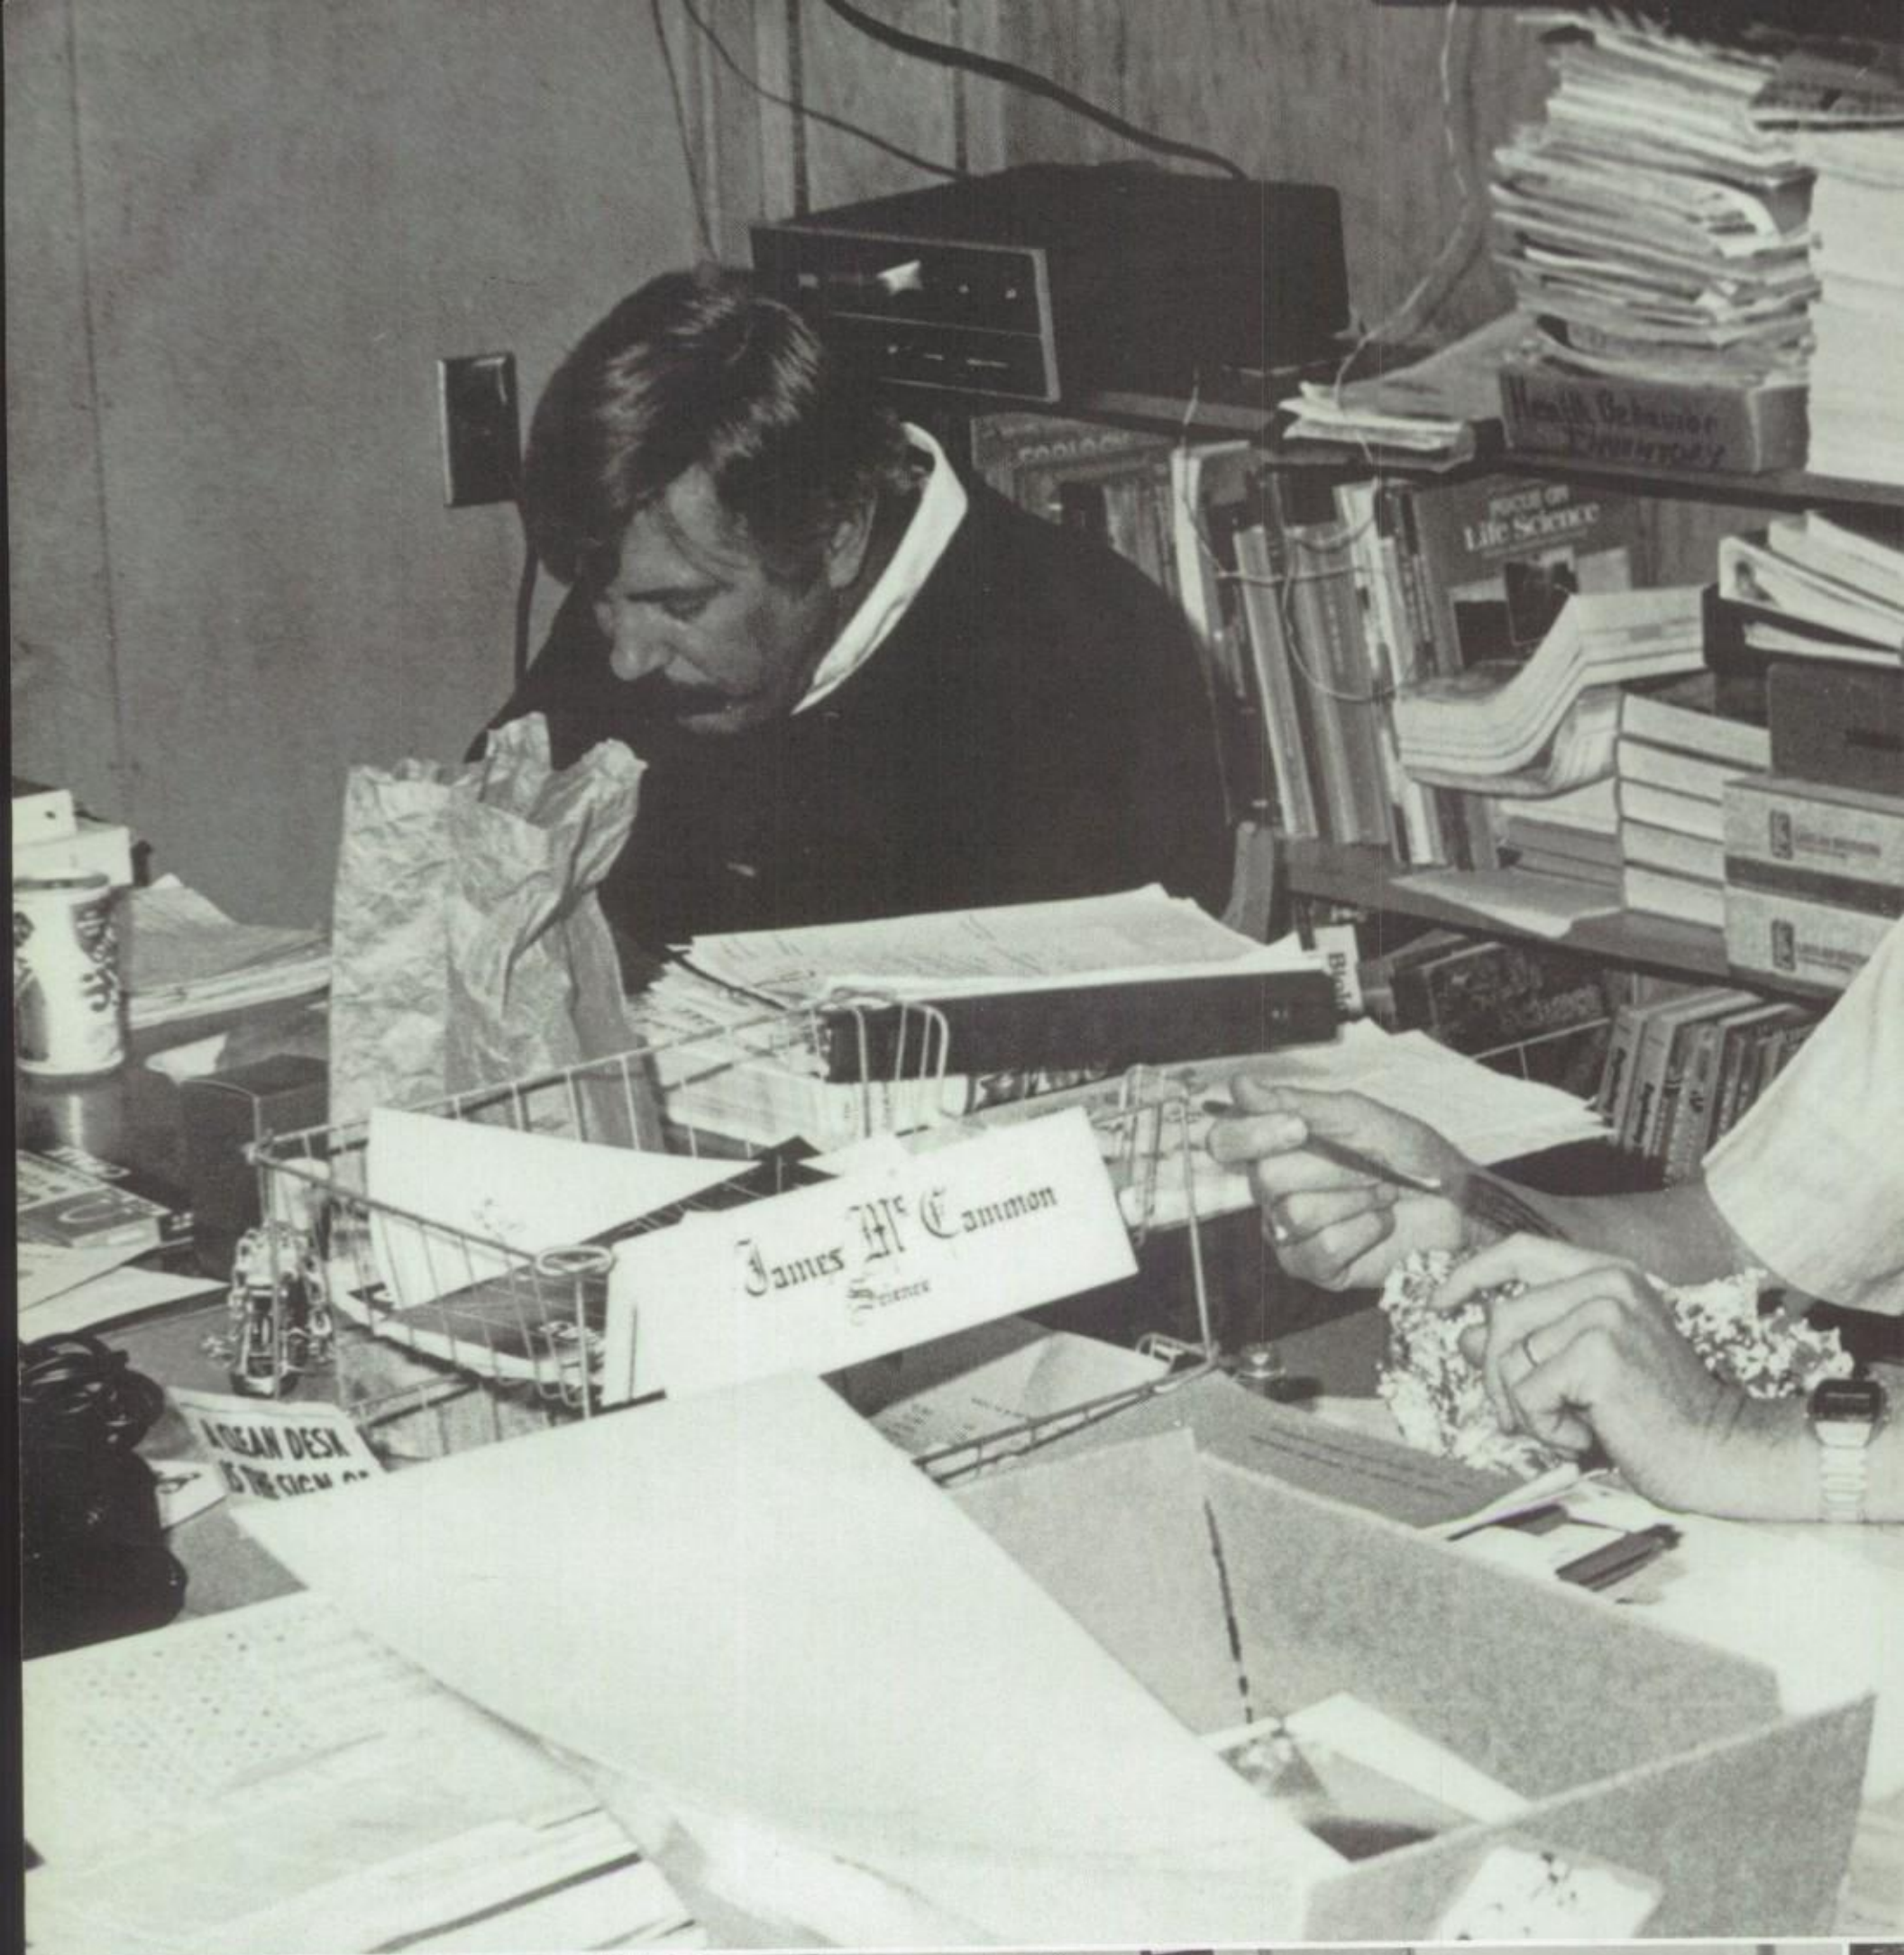

Does Andrew Hill have a swim team!! You bet we do!!

Principal's Message

It has been my pleasure to work with such a knowledgeable, skillful, experienced, and diligent-working staff for the past five years! These positive characteristics are evidenced by the staff's commitment to providing opportunities for our students to achieve excellence in education.

In order to provide the best educational experiences for our students, staff members are continually pursuing new ideas and instructional strategies. They have attended seminars, conferences, workshops, and have taken courses relating to their subject areas.

Dedication is another quality which characterizes this talented staff. I have observed many staff members who have spent countless hours on campus preparing for students or working with them in both academic and athletic areas outside of regular school hours. Because of their caring attitude, they have made it possible for more of our students to achieve success. I commend our staff for the concern they have for our students and for the efforts they continue to put forth to assist our students in maximizing their learning potential.

WORKING TOGETHER

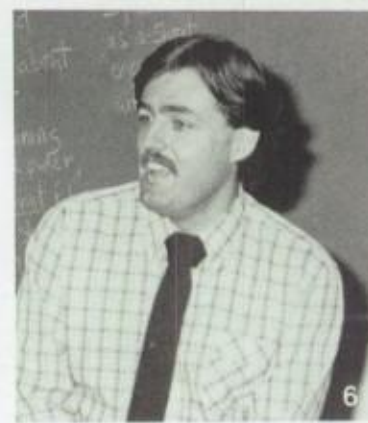

It takes a number of people to keep a school in order and we are very fortunate to have such a dedicated staff at Andrew Hill. These people spend countless hours making sure that everything runs smoothly. Special thanks must be given to Principal Barbara Dawson, who is responsible for many activities that occur around school. Our teachers, administrators, and staff work together as a unit and have made us proud to be Andrew Hill Falcons.

A TEACHER

Some teachers are strict and some are lenient. Some personable and some easy to approach, others distant and remote, but each is here with a specific task; to teach young people skills that will hopefully improve and enrich the quality of the students' lives. Teachers approach the task of teaching in a variety of ways. But underlying all this is a basic caring for the students and their learning. Behind the way teachers accomplish their jobs, is a firm philosophy which often extends into their everyday life.

YEAR IN

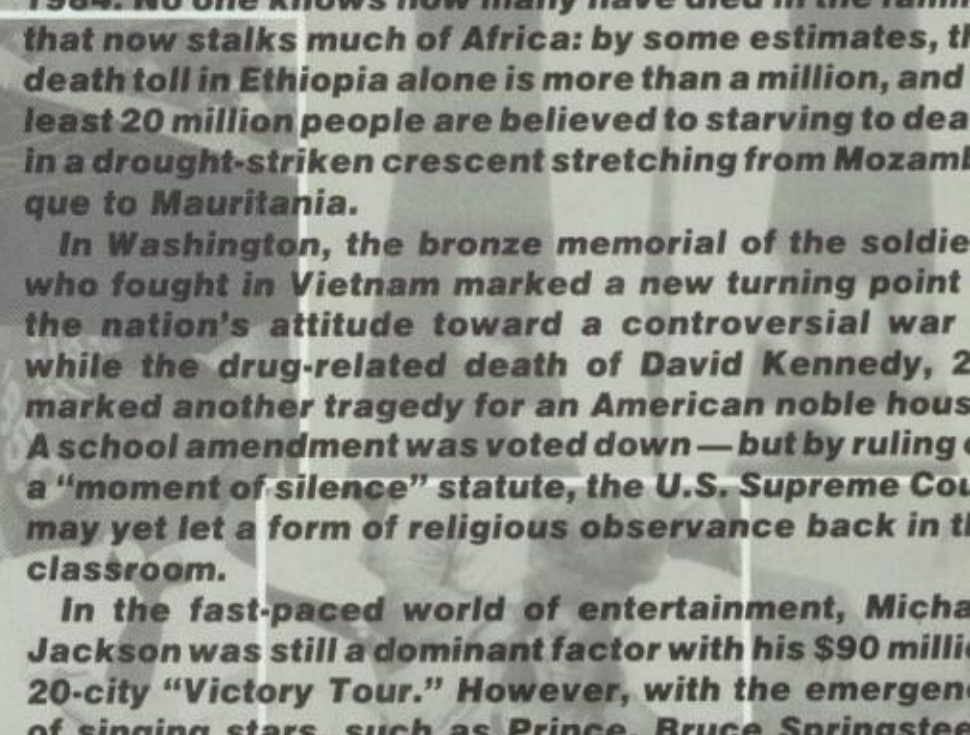

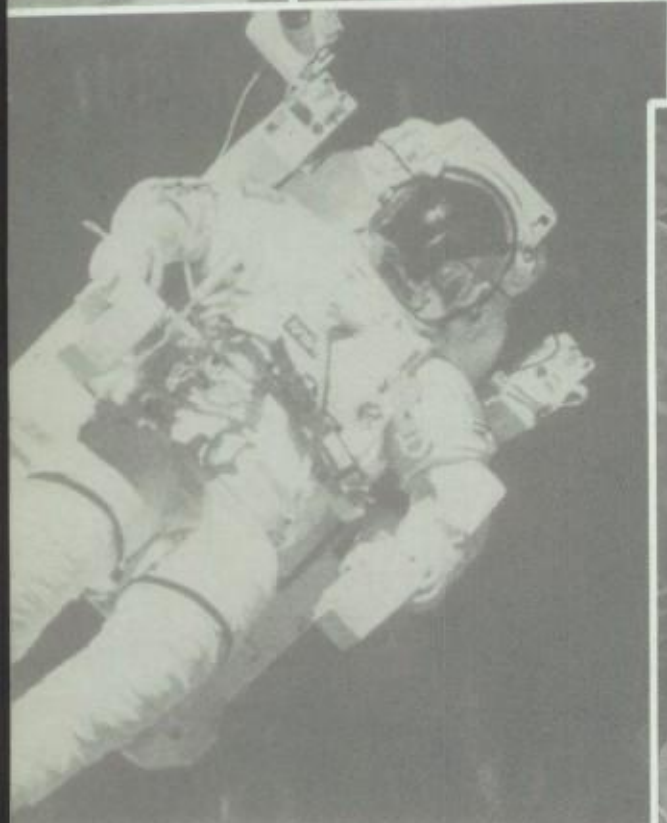

Around the world during 1984 and part of 1985, there was tragedy, folly, hatred and despair. But for 16 sunny days last summer, America reveled in the spectacle of the XXIII Olympiad — a high-spirited celebration of youth and skill that brought about an explosion of patriotic pride. U.S. athletes collected 174 medals in Los Angeles, an Olympic record. Among the standouts were: the men's gymnastic team, super-sprinter Carl Lewis, powerful swimmer Mary T. Meagher, platform and springboard gold medalist diver Greg Louganis and a dynamic gymnast named Mary Lou Retton, who captivated the public like no one since Nadia Comaneci. Even the pain of distance runner Mary Decker, sidelined in a mid-race collision, could not dilute the spirit. And who could forget the beautiful singing of Lionel Richie in the closing ceremonies? His songs culminated what was truly an extraordinary event. The Olympians were America's pride and, in the midst of Campaign '84, the nation paused to celebrate itself.

Campaign '84 resulted in an ignominious defeat for democrat Walter Mondale. Ronald Reagan's landslide victory left disconsolate Democrats pondering the party's future. Mondale, far behind in the polls from June to November, gave the campaign a fighting chance; after weathering the Reagan deluge with his history-making running mate, Geraldine Ferraro, he retired from politics for good. Senator Gary Hart's appeal missed the mark in Campaign '84, but he seemed ready to take aim at '88. And the Reverend Jesse Jackson, on the move from Havana to Syria to San Francisco, promised the Rainbow Coalition next time.

Somewhere in the year's events is a lesson for leaders everywhere: the lesson of limits. In Lebanon, the final withdrawal of the U.S. Marine peacekeeping force suggested the limits of U.S. power — while in Iraq, the bodies of young Iranians demonstrated the futility of brutally pointless border war. In India, the cremation of assassinated Indira Gandhi tested the bonds of a great nation's unity. The face of Ethiopia — skeletal, ravaged, a social disaster of unspeakable proportions — stirred the conscience of the world in the autumn of 1984. No one knows how many have died in the famine that now stalks much of Africa: by some estimates, the death toll in Ethiopia alone is more than a million, and at least 20 million people are believed to be starving to death in a drought-stricken crescent stretching from Mozambique to Mauritania.

In Washington, the bronze memorial of the soldiers who fought in Vietnam marked a new turning point in the nation's attitude toward a controversial war, while the drug-related death of David Kennedy, 21, marked another tragedy for an American noble house. A school amendment was voted down — but by ruling on a "moment of silence" statute, the U.S. Supreme Court may yet let a form of religious observance back in the classroom.

In the fast-paced world of entertainment, Michael Jackson was still a dominant factor with his \$90 million, 20-city "Victory Tour." However, with the emergence of singing stars, such as Prince, Bruce Springsteen and Lionel Richie, Jackson's name is slowly disappearing. Cyndi Lauper's "Time After Time", Madonna's "Like a Virgin", and the new album by the

REVIEW

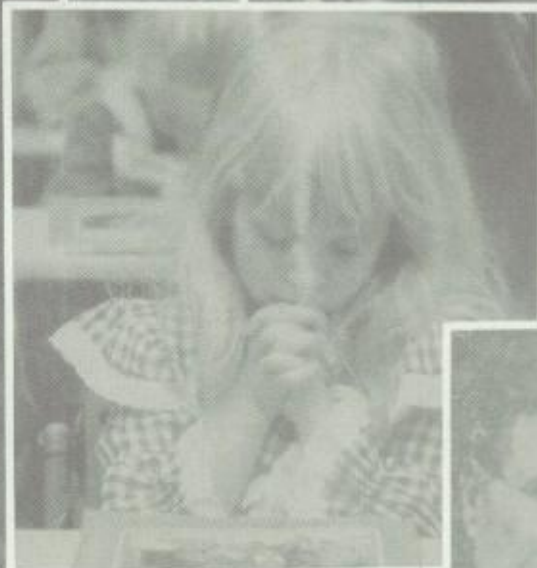

na's "Like A Virgin", Wham's "Careless Whisper", and Foreigner's "I Want To Know What Love Is" have also hit the record charts. The movie business also provided us with some big hits during the summer of '84. The movie netting the most money for the summer featured Bill Murray in "Ghostbusters." Among the other big hits of the summer included: Harrison Ford in "Indiana Jones and The Temple of Doom", Ralph Macchio in "Karate Kid", and "Gremlins", which featured little creatures invading a town. Prince made his movie debut in "Purple Rain" and Eddie Murphy starred in the smash hit "Beverly Hills Cop." Other entertainment stars included: Bill Cosby, resurrected from commercials in his own TV sitcom ("The Cosby Show"), and Darryl Hannah, 23, the star of an interspecies love story called "Splash" and namely the blonde of the year. Vanessa Williams, the Miss America of 1984, surrendered her title when it was discovered that she had posed for pornographic photographs with another woman.

It was a year for challenging nature. In February, astronaut Bruce McCandless soared through space, untethered and alone, as the shuttle challenger orbited the Earth. In October, surgeons in Loma Linda, Calif., implanted a baboon heart into a two-week old infant known only as "Baby Fae"; she lived for 32 days. William Schroeder, 52, the second man ever to be fitted with an artificial heart, fared better; within days of his operation, he was listed as "satisfactory."

Among the faces of '84 were Diana, Princess of Wales, who gave Britain another prince, Henry Charles Albert David; Clara Peller, who won friends and fame and influnced primaries by asking, "Where's The Beef?"; Elizabeth Taylor and wife of White House Press Secretary James Brady, who won the "Women of the Year" award of the United Service Organizations; and Richard Burton, 58, whose death stirred the emotions of many Americans as they grieved the death of one of the greatest actors of all time.

In sports, the Detroit Tigers overcame Steve Garvey and the San Diego Padres to capture the World Series title. Boston College's Doug Flutie won the Heisman Trophy, just edging out Miami's Bernie Kosar and BYU's Robbie Bosco. Flutie, whose golden arm helped him defeat the Miami Hurricanes with a 48-yard "Hail Mary" pass, earned a \$25,000 per hour job with the USFL's New Jersey Generals. The San Francisco 49ers put themselves into the NFL record books by culminating an 18-1 season with a 38-16 massacre of the Miami Dolphins in Super Bowl XIX. In what was supposed to be an air show between quarterbacks Joe Montana and Dan Marino turned out to be a battle of the defenses. Miami's famous "Killer Bees" soon became the "Bruised Bees" after clashing with the Niner defense. Montana earned the MVP award and proved to be the best quarterback in football during the '84 season.

The 1984/85 year has definitely been filled with happiness, tragedy, patriotism, and new-found hope for the future. We, as students, parents, teachers, administrators, acquaintances and friends take pride in what it means to be an American.

COLLEGE BOUND??

If you're going to college this year, you're making a big decision. Planning for the future is tough, and there are no guarantees. One way to open the door to a high technology career is Air Force ROTC.

Take the advanced math and science courses in high school, then enroll in the Four-Year Program in college. You'll be ready for a high tech future when you graduate ... as an Air Force officer.

Plus, you can compete for scholarships which pay your college tuition, books and fees with a monthly, tax-free allowance during the school term.

Talk to your local Air Force ROTC representative or high school counselor today.

Ia 4th year still
for you did still
2 more years
the for me. Is that
totally terrible.
But anyway
I'll have a great
summer. Party
Hardy & Kay
Love you
